Your Forces And How To Use Them (Annotated Edition) Christian D. Larson, 2012 There are a million energies in man What may we not become when we learn to use them all This is the declaration of the poet and though poetry is usually inspired by transcendental visions and therefore more or less impressed with apparent exaggerations nevertheless there is in this poetic expression far more actual practical truth than we may at first believe How many energies there are in man no one knows but there are so many that even the keenest observers of human activity have found it impossible to count them all And as most of these energies are remarkable to say the least and some of them so remarkable as to appear both limitless in power and numberless in possibilities we may well wonder what man will become when he learns to use them all It is the purpose of this

book not only to discuss these greater powers and possibilities in man but also to present practical methods through which they may be applied This is the annotated edition including an essay about the author and the New Thought Movement in Cincinnati which he founded Aura Energy for Health, Healing and Balance Joe H. Slate,1999 A licensed psychologist and founder of the International Parapsychology Research Foundation illustrates how each person has the power to see his or her aura interpret it and fine tune it to promote mental physical and spiritual well being Photos Glossary **Practical Guide to Creative Visualization** Melita Denning,Osborne Phillips,2001 Now you can open channels from other dimensions that will aid you in your pursuit of success With the series of exercises in this book you will actually program your mind to bring your desires into personal realization No matter what you desire you can start practicing these proven and simple techniques today Roadmap to Financial Independence Paul Serukenya,2016-08-02 If you regularly find that your income is not sufficient to meet your financial obligations this book is for you If you are looking for ways on how to earn more money than you get from your day job without having to go out and earn it yourself this book is for you If you feel there is more you want to do in life but feel restricted because your day job seems to take all the time and energy you have and leaves you feeling like there are not enough hours in the day to achieve your dreams this book is for you This book will help inspire you to become more than you already are It will help you pave your roadmap to financial independence What Tarot Can Do for You Barbara Moore,2004 Curious about Tarot cards Shrouded in mystery and superstition tarot cards have been used for centuries to predict the future But that s not all they can do What Tarot Can Do For You shows you the basics of tarot from getting started to using the cards for more than just fortunetelling You ll learn how to Choose the perfect tarot deck Ask the right questions so you receive clear answers Develop your own intuitive meanings for the cards Gain personal and spiritual insight Use your cards for problem solving meditation journaling and more Use the tarot to help shape the future of your dreams Empower yourself overcome obstacles and make better decisions all with a little help from your tarot deck
