The Hatmakers Sign A Story By Benjamin Franklin:

The Hatmaker's Sign Candace Fleming, 2000-01 To heal the hurt pride of Thomas Jefferson as Congress makes changes to his Declaration of Independence Benjamin Franklin tells his friend the story of a hatmaker and his sign **Dear Ben** Michael Koski, 2024-10-04 On his last night the great man is compelled to tell the true story of his life to his friend and manservant Bobby including the unsavory bits history books will gloss over Franklin knows he has only one night to atone for his sins He has come to abhor slavery and offers to free Bobby who hesitates fearing the outside world Bobby wants to know how his master rose from obscurity to wealth and fame Read my book his autobiography Franklin tells him What s not in the book Bobby asks unleashing the story of the unknown Benjamin Franklin Franklin unfurls a sprawling saga of intrigue romance epic battles love and loss Bobby learns why Franklin never married his common law wife Deborah or Margaret Stevenson with whom he lived in London for fifteen years Franklin tells a story fraught with illegitimate offspring fathered by himself his son and his grandson Who was the mother of his own bastard son William It is a confidence Bobby will take to his grave Franklin s towering achievements in science and diplomacy are sullied by his tragic relationship with his son Too long oblivious to William s treachery he keeps him by his side as William weaves a pattern of betrayal and eventual treason In a final meeting at Southampton William begs his father for reconciliation and forgiveness which Franklin fails to grant Bobby s decision to accept Franklin s offer of freedom only moments before Franklin succumbs leads Dear Ben to a surprising conclusion The Story of Us Humans, from Atoms to Today's Civilization Robert Dalling, 2006-03 The Story of Us Humans explains human nature and human history including the origins of our species emotions behavior morals and society It explains what we are how we got here and where we are today by describing the origin history and current ways of our neighborhoods religion government science technology and business Written in plain language it explains what astronomy physics geology biology chemistry anthropology history religion social science and political science tell us about ourselves Most everyone feels that human success is measured in terms of healthy and happy children and communities Human thoughts and actions involve little besides love and children spouse and family community and justice because we are parenting mammals and social primates Each of us simply wants to laugh and joke with our family and friends pursue life raise children and strive to be a valued and contributing member of our community We have made incredible progress building civilization in just a few hundred generations using nothing except our animal minds Have you wondered What are the laws of nature and how many laws are there How did molecular life begin and then evolve into worms fish amphibians reptiles mammals primates and humans What are the differences between these animals How did we get from the Big Bang to bacteria and on to Christianity democracy and globalization What is life like for gatherer hunters When did we first become farmers and first build cities and what was life like at those times What was life like in Ancient Mesopotamia Ancient Athens 13th century Cahokia Medieval China and Europe 19th Century New England Yoruban villages and in the U S during

the 1920s What was the Industrial Revolution and how has it changed our lives What are the Hindu Muslim Confucian Jewish Christian Buddhist and Humanist religions and world views How have our wages infant mortality rates lifespans crime rates and poverty and inequality rates varied through the ages What are the biggest economic and social secrets in the U S today What are some meaningful goals and priorities for our civilization and how can we measure the success of our attempts to reach those goals Includes questions index bibliography and 1 200 internet links taking you to images videos and discussed documents

Young Patriots Charles A Cerami,2006-05-01 The captivating story of Hamilton and Madison fighting the odds to forge a nation s legacy Seven years after the revolution America was in crisis The government didn t work but the citizens didn t care or were in a state of rebellion Then two unknown men Hamilton and Madison unknown especially compared to the revered Founding Fathers envisioned a plan that no one else thought could happen a truly United States Against all odds these men maneuvered and strategized to get the right men to agree on the right ideas The result the most brilliant political document ever and a powerful United States From New York Times bestselling author Charles Cerami this gripping tale of young men founding a nation will captivate both history buffs and those who just love a great story Cerami spins a good historical tale Kirkus Reviews

Poisoned for Profit Philip Shabecoff,Alice Shabecoff,2010 Originally published by Random House in 2008 as Poisoned profits T p verso *Everything But Snakes* Matthew Phillips,Sharon Sakson,2012-10 There is nothing a twenty one year old man at his first job in New York City needs more than a good mentor although few of them find one But author Matthew Phillips found the wild impetuous and knowledgeable Marylou Stern The years Matt spent with Marylou were filled with parties sex excess frivolity live cows kidnapped Jewish jewelers and games that stretch the imagination In this memoir Phillips shares his story of how Marylou a former model dancer and actress transformed him from an eager fresh faced college grad into a sidelines player in chic New York society Over the course of three years Marylou taught Matt about New York City high society the difference between class and low class how to make a genuine egg cream how to milk a cow why wanton sex is good for your health why listening is more important than talking that Sara Lee Vanilla Layer Cakes are the best reward and that you must never put up with thieves In *Everything but Snakes* Phillips narrates how Marylou s undying sense of celebration kept him going and gave him a floor beneath his feet and along the way an upside down roller coaster ride

Poisoned Profits Philip Shabecoff,Alice Shabecoff,2008-08-12 In this shocking and sobering book two fearless journalists directly and definitively link industrial toxins to the current rise in childhood disease and death In the tradition of *Silent Spring* *Poisoned Profits* is a landmark investigation an eye opening account of a country that prizes money over children s health With indisputable data Philip Shabecoff and Alice Shabecoff reveal that the children of baby boomers the first to be raised in a truly toxified world have higher rates of birth defects asthma cancer autism and other serious illnesses than previous generations In piercing case histories the authors identify the culprit as corporate pollution Here are the stories of such places as Dickson Tennessee where babies were born with cleft

lips and palates after landfill chemicals seeped into the water and Port Neches Texas where so many graduates of a high school near synthetic rubber and chemical plants contracted cancer that the school was nicknamed Leukemia High The danger to our children isn't just in the outside world though The Shabecooffs provide evidence that our homes are now infested with everything from dangerous flame retardants in crib mattresses to harmful plastic softeners in teething rings to antibiotics and arsenic in chicken additives that are absorbed by growing and physically vulnerable kids as well as by pregnant women Compounding the problem are chemical corporations that sabotage investigations and regulations a government that refuses to police these companies and corporate hired scientists who keep pertinent secrets massaged with skewed data of their own Poisoned Profits also demonstrates how people are fighting back whether through grassroots parents groups putting pressure on politicians the rise of ecotheology in the pulpits of formerly indifferent churches or the new green chemistry being practiced in labs to replace bad elements with good The Shabecooffs also include helpful tips on reducing risks to children in how they eat and play and in how parents clean and maintain their homes Powerful unflinching and eminently readable Poisoned Profits is a wake up call that is bound to inspire talk and force change
