Frank Maier,1820 Dracula: The Engraved Chest Of Time Vasile Lupaş,2014-09-30 Dracula The Engraved Chest Of Time is the book that people have been waiting for since 1897 Finally after Bram Stocker s century old success we have in our hands the true story behind the myth of Dracula Extremely well documented and using many of the era s sources this historical novel brings to light a long forgotten story that shaped Europe more than 500 years ago Compared by some with The Three Musketeers and by others with The Lord Of The Rings The Engraved Chest Of Time is a fascinating true tale of insane acts of bravery endless love and supernatural devotion to an ideal Surprisingly there is just as much blood as in Stocker s book more action and surely more suspense And surprisingly there is no vampire Or is there Dr David Scott Ph D FRSA David Scot is an internationally published author travel book writer and journalist He has numerous books and articles on food travel and comparative religion to his name **Paradise Lost. A Poem, Etc. [With an Additional Engraved Titlepage and Engraved Plates.]** John Milton,1817 *Actual Proof of My Existence Signed* Don Christie,2003-03 This book is designed to show some of the strongest proof that the scriptures are the inspired Word of God and do it in the most simple way The book starts out by showing about 18 Psalms that accurately predicted all of the major events of the 20th century by landing in the Psalm number that is the same year of the event some even on the correct verse numbers of the month also The Psalms are the 19th book of the Bible so Psalm 46 becomes 1946 with He makes wars to cease one year after 1945 and WWII Psalm 87 as 1987 Saddam Hussein s month long Babylonian party with musicians invited from all over the world where Babylon is mentioned in Psalm 87 4 I will make mention of Rahab and Babylon Psalm 87 7 with As well the singers as the players on instruments shall be there Other events predicted events are the Y2K problem of 1999 in Psalm 99 8 thou tookest vengeance of their inventions the WTC attack El Nino Gulf War and on and on even future events are explored Psalm 103 as 2003 talks about the eagles and those that are oppressed just like America the eagles setting the oppressed free in Operation Iraqi Freedom This book also shows that all of our modern day science constants are encoded in the Psalms by a key phrase in the Psalm of the same number Psalm 19 electricity heat sun circuit Psalm 27 light and 10 27 power is a photon of light Psalm 29 creation fire Psalm 31 speedy electron and the net Psalm 38 heavy gravity and on up to 23 Psalms not one misses This book goes deep into the Tabernacle of Moses and the Ark of the Covenant showing that these Bible structures

are actual models of modern day science This book shows upwards of 600 key scriptures where the verse numbers equal the meaning of the verse There is much more in the book as well as these subjects about the Bible s numbers The book is guaranteed to please and show powerful proof that the scriptures are the inspired Word of God because this is a book of facts not speculation All of modern day history and science will unravel from the Psalms in just the first 2 chapters alone all landing on the correct verse numbers Imagine playing a lotto where you have to get 40 numbers correct out of 150 numbers on the first try because this is what the Psalms did 3 000 years ago The odds are about 10 40th power to 1 40 zeroes that all of the proper key expressions keep landing in the Psalm of the same number as the year or a science constant number I know that you will enjoy the book and be blown away by the proof Don Christie
