Health in Africa Elaine O. Nsoesie,Blessing U. Mberu,2025-04-08 Explores Africa s rapid urbanization and its crucial implications for health prosperity and sustainability Africa is home to many of the world s fastest growing cities In this book editors Elaine O Nsoesie and Blessing U Mberu bring together a diverse group of scholars to explore the critical impacts of rapid urbanization on the health and prosperity of Africans Through compelling case studies contributors highlight the unique challenges and innovative solutions in Africa s urban health Essays cover a diverse range of topics from housing to climate change in various cities across Africa Considerations for urban health are vital to the continent s potential to prosper as it grows in population and this book addresses critical issues related to infrastructure transportation natural disasters and conflict Covering a broad selection of topics and focusing on specific cities throughout Africa this book examines everything from education and economic development to pollution and the role of data in urban health and development From the resilience and creativity of slum communities to groundbreaking policies addressing air pollution and mental health each chapter provides valuable insights into the continent s urban health landscape Urban Health in Africa is an essential read for policymakers researchers and anyone interested in shaping a healthier future for Africa s cities and understanding the vibrant and complex realities of its urban life *Poverty, Gender and Health in the Slums of Bangladesh* Sabina Faiz Rashid,2024-04-24 Poverty Gender and Health in the Slums of Bangladesh provides comprehensive ethnographic accounts that depict the daily life experiences and health hardships encountered by young women and their families living in the slums of Dhaka city and the injustices they face The analysis focuses on two specific historical eras 2002 2003 and 2020 2022 and shows that despite recent improvements in employment opportunities and greater mobility for young women their lives reflect ongoing challenges reminiscent of those faced two decades earlier While national and global organizations acknowledge the nation s economic and social progress those on the outskirts of society continue to grapple with enduring poverty They are excluded from the advantages of economic growth oppressed by unjust local national and global systems discriminatory laws and policies Their struggles go unnoticed as they confront a slew of challenges including slum evictions enforced lockdowns income losses food insecurity and ongoing crises related to health injuries fatalities and exploitation and harassment by law enforcement and influential individuals within the slum and the city After two decades these obstacles

persist and life remains tenuous with health severely compromised This book will appeal to students academics and researchers in the fields of Public Health Medical Anthropology Gender Studies Urban Studies Development Studies Social Sciences as well as professionals engaged in urban health and poverty related work **Welfare in Review** ,1964

Poor? Mical Raz,2013-11-11 In the 1960s policymakers and mental health experts joined forces to participate in President Lyndon Johnson s War on Poverty In her insightful interdisciplinary history physician and historian Mical Raz examines the interplay between psychiatric theory and social policy throughout that decade ending with President Richard Nixon s 1971 veto of a bill that would have provided universal day care She shows that this cooperation between mental health professionals and policymakers was based on an understanding of what poor men women and children lacked This perception was rooted in psychiatric theories of deprivation focused on two overlapping sections of American society the poor had less and African Americans disproportionately represented among America s poor were seen as having practically nothing Raz analyzes the political and cultural context that led child mental health experts educators and policymakers to embrace this deprivation based theory and its translation into liberal social policy Deprivation theory she shows continues to haunt social policy today profoundly shaping how both health professionals and educators view children from low income and culturally and linguistically diverse homes [SLUMS OF INDIA](#) NEELA GANGULY,2019-06-10 Contents 1 Introduction 2

Slums of the World and in India 3 Health Care Delivery In India 4 Slums in Chennai 5 Health Care Programmes for the Slum Population of Chennai City 6 Children Women and Geriatric Care for the Slum Population of Chennai City 7 Conclusion and Suggestions The inspiration to write this book came from the collection of data for a Need Assessment Study of a local slum near my residence The buildings in the slum locality the inhabitants and their livelihood the availability of infrastructure both governmental and private in their vicinity and above all the requirements and expectations of the population all helped me undertake this study and thus the outcome of the thesis and this book Specific reference is made to only 4 divisions from 4 zones from the erstwhile Chennai city before the expansion of 2012 Though expansion would have dispersed the ward and division numbers the name of the location its locality and the population remain the same Therefore I have simply changed the zone numbers to West North South west and South All the data pertaining to this study limits to the year 2009 Though this parameter is in fact a shortcoming to the study the hypotheses and its outcome remain significant to this day Also the representing sample of 300 compared to the total population of 6 26 271 of the 4 zones put together is sufficient since the sample population and the total population are not spread away from each other *Housing and Public Policy* Stewart Lansley,2025-08-01 Housing in the UK and globally has long been an area of central and local government concern and this

reflects its vital importance for both individual and social welfare Despite increased public expenditure on housing in the post war years housing remains a major problem area of social and economic policy While housing standards have risen on average significant sections of the community continue to endure poor housing conditions and prospects Originally published in 1979 this study considers the role of public policy in housing presenting a critical and contemporary account of policies in the late 20th century The central theme emphasises the importance of extensive local and central government involvement in meeting housing need and ensuring fairness in housing provision It thus presents an opposing view to those who argue that market forces should have a free rein in shaping housing development *Annual Report of the U.S. Department of Health, Education, and Welfare* United States. Department of Health, Education, and Welfare,1961 **Emergency Employment Act: Background Information** ,1967 *Manpower Report of the President* United States. President,1966 Includes reports by the U S Dept of Labor called 1963 Manpower requirements resources utilization and training and the U S Dept of Health Education and Welfare 1975
