Celebrating the Single Life David Yount, 2009-02-24 American society is no longer defined by marriage. Today an increasing majority of American households are headed by single men and women. Even those Americans who do marry spend at least half of their adult lives alone. Living on one's own presents unique challenges depending on one's age, health, and circumstances. So the script for successful single living calls for different strategies for young adults, the recently divorced, single parents, and those widowed or experiencing single life in later adulthood. Here Dr. Yount considers each group's special needs and challenges and offers a guide for leading a productive, rewarding, and fulfilling single life. Single living, he contends, requires some core abilities: overcoming loneliness, reaching out to others, developing faith in oneself, and self-respect, keeping up with daily activities, and maintaining good health, security, and a sense of humor. This book helps readers learn to celebrate their single status and to find contentment and peace while living on their own. These days, if you are unmarried and pining for romance, you are in a small minority. Until recently, most Americans considered single life to be a temporary situation during which one would simply wait for a soul mate to come along. Those who remained unwed were

pitied as bachelors and spinsters No longer These days most single men and women find autonomy in negotiating their way through life by relying on their own resources with marriage remaining one option but not an imperative Even those who do marry are getting married later and those who divorce or are widowed often choose to stay single With this trend toward singlehood increasing affirming the single life and making a success of it becomes all the more important Yount offers advice for creating a gratifying and happy single life at any stage and provides insight into those things that can contribute to a satisfying single lifestyle He pinpoints areas that often get ignored by singles and proposes solutions to some of the pitfalls that can lead to loneliness or unhappiness Leading a fulfilling single life is not only possible it can in fact be rewarding in itself and Yount shows readers how to lead productive and creative lives as modern singles **50+** William D.

The Top Books of the Year Smart And Simple Financial Strategies For Busy People The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Smart And Simple Financial Strategies For Busy People : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
