The Elle Harrison Collection Merry Jones, 2019-12-10 This three book collection delivers laugh out loud moments but at its core is deadly darkness Elle Harrison a fourth grade teacher has had a life without adversity until her husband's infidelity and other much worse catastrophes disrupts her world In *The Trouble with Charlie* Elle's soon to be ex husband has been stabbed to death she wonders whether she could have done it in one of those foggy moments her friends call pulling an Elle When she goes off with her girlfriends to a cosmetic surgery retreat in *Elective Procedures* she seems to be a magnet for unexplained deaths And in *Child's Play* on the first day of school Elle finds the principle in her school murdered and a second teacher dead not long after Constant among these three separate seemingly unrelated yet intricately tied stories is Elle's charm her indomitable spirit and the huge support she gets from her friends As they all grapple with their problems they come to believe that Elle has a dissociative disorder that obscures her reality The *Elle Harrison* stories open some dark doors each one darker than the other as the vulnerable Elle challenges her deepest convictions about guilt and innocence childhood and family Pushed to her limits she's forced to face her fears and apply all her skills in a deadly fight to save her sanity and her life **Stitched Together** Bob Thompson, 2019-10-15 When Bob Thompson asked his granny years ago why she continued to create so many of her beautiful quilts she said it was the only way she could reach across time touching and giving her descendants her energy And just like his granny Thompson's gift of storytelling provides a reverence and buoyancy all its own This collection combines personal and family experiences to create a patchwork quilt of gripping stories with the comfort of memory Thompson draws on his mother's seventy years of diaries handwritten notes and recipe cards to

reveal that every story no matter how small has some wisdom to impart He describes how as a child he would pass his days on the front porch of his granny s country store in western Kentucky and listen to regulars swap stories and spin yarns which cemented his passion for storytelling His granny s methods of quilting provide an interesting perspective on life She never hurried her stitches were small and even Fascinated with numbers I counted as many as eight hundred per square and did the math sixteen thousand for a twin bed sized quilt When I mentioned that some of Great Grandmother Brim s quilts had stitches so large that you could get your big toe caught in them Granny smiled and said It s not the size of the stitches that count it s the spaces between them Thompson s poignant narratives of community friends and family impart the significance of the quiet moments and meaningful spaces between everyday events In doing so they demonstrate that there is something to be gained from every human experience
