The Heavy Horse Terry Keegan,1974-01-01 **The Heavy Horse, Its Harness and Harness Decoration** Terry Keegan,1973 *Horse Power and Magic* George Ewart Evans,2012-03-15 The pioneering oral historian George Ewart Evans began to record the farming ways of East Anglia in the 1950s by listening to old men and women whose memories went back more than fifty or sixty years Many were agricultural labourers born before the turn of the century who had worked on farms before the arrival of mechanisation It was assumed at that time that horses would soon disappear from the farms and that this was the last chance of recording the part they had played for centuries It later became clear that this forecast was too pessimistic and in *Horse Power and Magic* Faber 1979 Ewart Evans describes in fascinating detail some important farms where horses continued to be beneficially used more than thirty years later He discovered that the traditions of the older horsemen had not died out but had been passed on in only slightly attenuated form to a younger generation keen to farm with horses proving that the day of the heavy horse was by no means over He also describes vividly the ways of horse tamers whose skills had a touch of magic about them Taking his works a whole there is no doubt that George Ewart Evans will survive as a fascinating pioneer of the extra academic recording of human history he has found a dimension all his own This is indeed the very stuff of history Sunday Times **Drawing and Painting Horses** Alison Wilson,2013-11-30 Horses may seem to be a challenging subject for an artist but this book makes equestrian drawing and painting accessible It explains the fundamental principles of drawing before guiding the reader through the advanced methods of painting a horse With beautiful illustrations throughout in graphite pencil and oils this book informs and helps every artist who wants to improve or develop their equestrian work Topics covered include an introduction to traditional subjects drawing materials and methods working from life horse anatomy structure and gaits exercises in drawing and painting selecting subjects and using preliminary drawings and sketches An authoritative and beautiful guide to drawing and painting horses aimed at all artists particularly equestrian and beautifully illustrated with 224 graphite and oil illustrations Care and Showing of the Heavy Horse Edward Hart,1981 *Traditional Country Craftsmen* J. Geraint Jenkins,2009-07-15 Traditional Country Craftsmen provides an essential insight into a wide range of country crafts and skills AMONGST FARM HORSES Stephen Caunce,2016-08-26 This book is a unique and detailed account of a rural way of life formed from extensive academic research and oral testimony recorded in the 1970 s It tells of the farm servant system in East Yorkshire which was central to the rural economy in that area for men born before 1900 Boys as young as 13 would be looking after and working with as many as 4 heavy horses in a team Their lives would be spent living in the farmhouse and would continue that way until they married Rural history forms an essential part of national history with different parts of the UK having very varied employment systems This book describes how although having roots deep in history the East Riding farming system was thoroughly modern and profitable paying good wages to its workers Telling the stories of their lives in their own words this

book brings to life the intimate details of a distant way of living and working **A Day in the Life of an American Worker** Nancy Quam-Wickham, Ben Tyler Elliott, 2019-12-02 This introduction to the history of work in America illuminates the many important roles that men and women of all backgrounds have played in the formation of the United States A Day in the Life of an American Worker 200 Trades and Professions through History allows readers to imagine the daily lives of ordinary workers from the beginnings of colonial America to the present It presents the stories of millions of Americans from the enslaved field hands in antebellum America to the astronauts of the modern space age as they contributed to the formation of the modern and culturally diverse United States Readers will learn about individual occupations and discover the untold histories of those women and men who too often have remained anonymous to historians but whose stories are just as important as those of leaders whose lives we study in our classrooms This book provides specific details to enable comprehensive understanding of the benefits and downsides of each trade and profession discussed Selected accompanying documents further bring history to life by offering vivid testimonies from people who actually worked in these occupations or interacted with those in that field Heavy Horses Edward Hart, 1994 **Various and Ingenious Machines. Volume**

One: Power Generation and Transport Bryan Lawton, 2023-03-13 This two volume work describes the pre industrial history of mechanical engineering and covers power generation transport manufacturing and weapons technology Important items are discussed in each section and performance data are presented in easily understood graphical format using over 800 illustrations The print edition is available as a set of two volumes 9789004136090 Veterinary Medicine , 1915

American Journal of Veterinary Medicine , 1915 **Star Gazer** Chris Platt, 2014-08-19 Will a city girl s horse dreams ever come true For Jordan McKenzie moving from Los Angeles to rural Michigan was a big change In LA she was used to giant shopping malls and classmates who came to school in makeup and heels In North Adams Michigan the nearest Walmart is thirty miles away Since Jordan is a jeans and sneakers kind of girl she hoped she d fit in better here plus there are horses in Michigan She has wanted one forever but in LA they were too expensive Draft horses gentle giants are her favorites with their dependable demeanors huge size and muscle power Even though all the North Adams kids have horses Jordan s busy mother barely agrees to let her coop a couple of chickens on their newly rented farm Jordan s wish may never come true Then she meets Star Gazer a Percheron mare at a farm auction and makes a desperate bid to save the aging horse from the slaughterhouse Jordan is thrilled to bring her home but Star Gazer is lame and skittish Can Jordan s loving care nurse her back to health And can she make Star Gazer a part of the family before her mother decides to find her a new home

Equipment for Horses from the Period IVB Level at Tepe Hasanlu, Iran Maude De Schauensee, 2024-12-31 This book presents for the first time the complete corpus of equipment for horses excavated by The Hasanlu Project in the Iron II level at Hasanlu Tepe Iran The equipment is varied extensive and in a context sealed as buildings collapsed during the violent surprise attack and resulting fire that destroyed the town The equipment most still in its primary location ready for active use

make it of particular if not unique importance It is also remarkable in the quantity recovered its variety and richness the functional types that could be identified riding draft ceremonial and the amount that could be reconstructed Its life context gives new information about equipment and usage not otherwise available and allows suggestions for the layered importance of the horse as evidenced by the equipment No other book presents equipment for horses in a similar context and quantity because the preservation at Hasanlu is unique for this part of the Near East in this time period The equipment also provides new insight into space use in Hasanlu one of the most important Iron Age sites in northwest Iran Findspots yield information about building use and reuse some as stables These and architectural alterations provide unique information regarding changes to the town over time some of which most likely reflect changes in the dynamics of the region
