The Heart and Its Healing Plants Wolf-Dieter Storl, 2024-01-02 An ethnobotanical look at ancient heart beliefs heart strengthening herbs and folk remedies for cardiovascular diseases Discusses traditional understandings of the heart from early European cultures and indigenous peoples of the Americas Asia and Africa Examines the heart as the home of the soul and an organ of perception and looks at traditional beliefs on what makes the heart sick Presents a *materia medica* of plants used for millennia to treat heart related conditions as well as plants in use by modern herbalists and cardiologists In the traditional worldview the heart was considered the home of the soul and the source of love and vitality As such heart sickness was not seen as a result of poor nutrition too much stress or lack of exercise but reflected an imbalance

of the heart's emotional and spiritual energies. Plants and folk remedies used as traditional heart medicine worked on the mental and spiritual level to help make the heart happy again. Renowned ethnobotanist Wolf D. Storl, Ph.D., examines traditional understandings of the heart from early European cultures and indigenous peoples as well as a wealth of plants used in both ancient and contemporary times to treat heart conditions and ailments. He examines what makes the heart sick, including different healing paradigms used to address the causes. He also looks at how time is perceived by the heart and how the modern epidemic of heart disease can be linked to our culture's pervasive disconnection from nature's rhythms. Presenting a materia medica of heart-strengthening herbs and folk remedies for cardiovascular diseases, the author offers in-depth descriptions of plants used for millennia to treat heart-related conditions as well as plants in use by modern herbalists and cardiologists. Sharing a holistic view of the heart and heart disease based on traditional perspectives, ethnomedical research, and herbal wisdom, this book reveals new ways to heal the heart by recognizing its integrated role in our physical, emotional, and spiritual wellness. Bates, 2023-09-28 Bestselling author and psychologist Tony Bates has spent his whole career examining and seeking to understand the lives of others. Here he turns his therapeutic eye on himself and describes the events and people in his own life that have made him the insightful thinker and teacher that he is today. Tony recalls traumatic events in his childhood that reverberated throughout his life for many years and describes how, with therapy and time, he was eventually able to heal those internal wounds. He recounts the stories of people in pain that affected him most deeply and informed both the direction of his work and his philosophy as a psychologist. By interweaving his own life story with reflections on how psychology and society treat people with mental health vulnerabilities, Tony invites us to reflect with compassion on the meaning of emotional struggles in all our lives. A searingly honest, lucid, and inspiring account of a life moving from deep childhood trauma to the hard-earned wisdom of a wounded healer. A compelling read and remarkable achievement. Richard Kearney: I was moved by Tony's honesty, humbled by his courage, fascinated by the way he used psychology to make sense of his personal suffering and inspired by the place he has arrived at this point in his life. Beautifully written, poetic in parts. Tony's book is a treasure trove of wisdom. Everyone should read it. Alan Carr, Ph.D.: What a generous gift, so typical of Tony to those who need to know that in their loneliness or depression they are not alone. Dr. Mary McAleese: This is an emotional read in which the psychologist bears their own soul and highlights why they are so skilled at their work. Niall Breslin **Sermons**

conscious energetic infiltrations that deliberately cord to you and extract energy from you discreetly without your consent How do they impact your life When in conflict the conscious energetic cording amplify your negative emotions to manipulate you to react rather than act The cording takes all the energy they choose for personal gain and leaves you to deal with the consequences They purposely try to keep you immersed in conflict to divert your attention away from your spiritual path In regards to your physical and mental health evolved conscious energetic cording are capable of causing health issues and attaching to symptoms of diseases and injuries You end up treating the organic reason for the injury or symptom and ignoring the energetic component Calls to God are decrees that are recited by you in collaboration with Gods energy to disengage conscious energetic cording They are said from the heart calling for accountability not vengeance with unconditional love and forgiveness With routine use you will move through conflicts instead of becoming a part of them You will clear the energetic component of disease and injury Calls to God decrees will teach you how to regain your spiritual autonomy and not be encumbered with the influences of conscious energetic infiltrations that do not have your best interest at heart
