Stars of David Abigail Pogrebin, 2007-08-14 Sixty two of the most accomplished Jews in America speak intimately most for the first time about how they feel about being Jewish In unusually candid interviews conducted by former 60 Minutes producer Abigail Pogrebin celebrities ranging from Sarah Jessica Parker to Supreme Court Justice Ruth Bader Ginsburg from Larry King to Mike Nichols reveal how resonant crucial or incidental being Jewish is in their lives The connections they have to their Jewish heritage range from hours in synagogue to bagels and lox but every person speaks to the weight and pride of their Jewish history the burdens and pleasures of observance the moments they ve felt most Jewish or not This book of vivid personal conversations uncovers how being Jewish fits into a public life and also how the author s evolving religious identity was changed by what she heard Dustin Hoffman Steven Spielberg Gene Wilder Joan Rivers and Leonard Nimoy talk about their startling encounters with anti Semitism Kenneth Cole Eliot Spitzer and Ronald Perelman explore the challenges of intermarriage Mike Wallace Richard Dreyfuss and Ruth Reichl express attitudes toward Israel that vary from unquestioning loyalty to complicated ambivalence William Kristol scoffs at the notion that Jewish values are incompatible with Conservative politics Alan Dershowitz raised Orthodox talks about why he gave up morning prayer Shawn Green describes the pressure that comes with being baseball s Jewish star Natalie Portman questions the ostentatious bat mitzvahs of her hometown Tony Kushner explains how being Jewish prepared him for being gay Leon Wieseltier throws down the gauntlet to Jews who haven t taken the trouble to study Judaism These are just a few key moments from many poignant often surprising conversations with public figures whom most of us thought we already knew When my mother got her nose job she wanted me to get one too She said I would be happier Dustin Hoffman It s a heritage to be proud of And then too it s something that you can t escape because the world won t let you so it s a good thing you can be proud of it Ruth Bader Ginsburg My wife Kate Capshaw chose to do a full conversion before we were married in 1991 and she married me as a Jew I think that more than anything else brought me back to Judaism Steven Spielberg As someone who was born in Israel you re put in a position of defending Israel because you know how much is at stake Natalie Portman Jewish introspection and Jewish humor is a way of surviving if you re not handsome and you re not athletic and you re not rich there s still one last hope with girls which is being funny Mike Nichols I felt not only this enormous pride at being a Jew I felt this enormous void at not being a better Jew Ronald O Perelman American Jews like Americans have a very consumerist attitude toward their identity they pick and choose the bits of this and that they like Leon Wieseltier I thought if I had straight hair and a perfect nose my whole career would be different Sarah Jessica Parker I ve always rebelled a little when people say My Jewish values lead me to really care about the poor I know some Christians who care about the poor too William Kristol There were many times when I kept silent about being Jewish as I got older when Jewish jokes were told William Shatner Jew bastard was something I heard a lot Leonard Nimoy I always liked shiksas Larry King It specifically says in the Torah that you can eat shrimp and bacon in a

Chinese restaurant Jason Alexander Yom Kippur is something I do alone with nobody else because I believe that my relationship with God is mine and mine only Diane von Furstenberg My Jewish Year Abigail Pogrebin, 2017-03-14 In the tradition of *The Year of Living Biblically* by A J Jacobs and *Walking the Bible A Journey by Land Through the Five Books of Moses* by Bruce Feiler comes Abigail Pogrebin's *My Jewish Year* a lively chronicle of the author's journey into the spiritual heart of Judaism Although she grew up following some holiday rituals Pogrebin realized how little she knew about their foundational purpose and contemporary relevance she wanted to understand what had kept these holidays alive and vibrant some for thousands of years Her curiosity led her to embark on an entire year of intensive research observation and writing about the milestones on the religious calendar Whether in search of a roadmap for Jewish life or a challenging probe into the architecture of Jewish tradition readers will be captivated educated and inspired by Abigail Pogrebin's *My Jewish Year*

Bar Mitzvah, Bat Mitzvah Bert Metter, Marvin Friedman, 2007 Presents the history and evolution of the bar mitzvah and bat mitzvah ceremonies and reflections of Jewish celebrities on their own coming of age celebrations *Jews at Home* Simon J. Bronner, 2010-05-27 A multifaceted exploration of what makes a home Jewish materially and emotionally and of what it takes to make Jews feel at home in their environment Jewish Cultural Studies Simon J. Bronner, 2021-05-04 Defines the distinctive field of Jewish cultural studies and its basis in folkloristic psychological and ethnological approaches Jewish Cultural Studies charts the contours and boundaries of Jewish cultural studies and the issues of Jewish culture that make it so intriguing and necessary not only for Jews but also for students of identity ethnicity and diversity generally In addition to framing the distinguishing features of Jewish culture and the ways it has been studied and often misrepresented and maligned Simon J Bronner presents several case studies using ethnography folkloristic interpretation and rhetorical analysis Bronner building on many years of global cultural exploration locates patterns processes frames and themes of events and actions identified as Jewish to discern what makes them appear Jewish and why Jewish Cultural Studies is divided into three parts Part 1 deals with the conceptualization of how Jews in complex heterogeneous societies identify themselves as a cultural group to non Jews and vice versa such as how the Jewish home is socially and materially constructed Part 2 delves into ritualization as a strategic Jewish practice for perpetuating peoplehood and the values that it suggests for example the rising popularity of naming ceremonies for newborn girls simhat bat or zaved habat in the twenty first century Part 3 explores narration including the global transformation of Jewish joking in online settings and the role of Jews in American political culture Bronner reflects that a reason to separate Jewish cultural studies from the fields of Jewish studies and cultural studies is the distinctiveness of Jewish culture among other ethnic experiences As a diasporic group with religious ties and varying local customs Jews present difficulties of categorization He encourages a multiperspectival approach that considers the Jewish double consciousness as being aware of both insider and outsider perspectives participation in ancient tradition and recent modernization and the great variety and stigmatization of Jewish experience and cultural expression Students and

scholars in Jewish studies cultural studies ethnic religious studies folklore sociology psychology and ethnology are the intended audience for this book

The Triple Package Amy Chua, Jed Rubenfeld, 2014-02-04 That certain groups do much better in America than others as measured by income occupational status test scores and so on is difficult to talk about In large part this is because the topic feels racially charged The irony is that the facts actually debunk racial stereotypes There are black and Hispanic subgroups in the United States far outperforming many white and Asian subgroups Moreover there s a demonstrable arc to group success in immigrant groups it typically dissipates by the third generation puncturing the notion of innate group differences and undermining the whole concept of model minorities Mormons have recently risen to astonishing business success Cubans in Miami climbed from poverty to prosperity in a generation Nigerians earn doctorates at stunningly high rates Indian and Chinese Americans have much higher incomes than other Americans Jews may have the highest of all Why do some groups rise Drawing on groundbreaking original research and startling statistics The Triple Package uncovers the secret to their success A superiority complex insecurity impulse control these are the elements of the Triple Package the rare and potent cultural constellation that drives disproportionate group

success The Triple Package is open to anyone America itself was once a Triple Package culture It s been losing that edge for a long time now Even as headlines proclaim the death of upward mobility in America the truth is that the old fashioned American Dream is very much alive but some groups have a cultural edge which enables them to take advantage of opportunity far more than others Americans are taught that everyone is equal that no group is superior to another But remarkably all of America s most successful groups believe even if they don t say so aloud that they re exceptional chosen superior in some way Americans are taught that self esteem feeling good about yourself is the key to a successful life But in all of America s most successful groups people tend to feel insecure inadequate that they have to prove themselves America today spreads a message of immediate gratification living for the moment But all of America s most successful groups cultivate heightened discipline and impulse control But the Triple Package has a dark underside too Each of its elements carries distinctive pathologies when taken to an extreme they can have truly toxic effects Should people strive for the Triple Package Should America Ultimately the authors conclude that the Triple Package is a ladder that should be climbed and then kicked away drawing on its power but breaking free from its constraints Provocative and profound The Triple Package will transform the way we think about success and achievement
