

The image shows the interior of a grand gallery. In the foreground, two large, fluted classical columns stand prominently. Beyond them, a series of smaller columns recede into the distance, creating a sense of depth. In the center of the far end of the gallery, a sculpture of a reclining figure is displayed on a small pedestal. The architecture features high ceilings with decorative moldings and a large arched opening at the top. The lighting is warm and even, highlighting the architectural details and the sculpture.

Sir Peter Lely (1618-1680): Dutch Classicist, English Portraitist, and Collector Brandon Henderson, 2008-07-24 The Dutch born English Baroque portrait painter Sir Peter Lely 1618-1680 is chiefly known for his drowsy sensual beauties and bewigged courtiers associated with the Restoration court of Charles II He is often seen as merely successor or imitator of Sir Anthony Van Dyck 1599-1641 with a common resemblance in all his sitters and an inability to capture a true likeness as well as an absence of any personal characterization or psychological interest Alternately this dissertation aims to reveal Lely's genius of superb draughtsmanship fine color and lively composition as well as to examine and reinstate the artist's impact and deep impress on British painting Lely's early style owes much to his Dutch origin and training with the pioneers of Dutch classicism and the distinctive qualities of his early work and the change in his traditions and techniques are examined The development of Lely's portrait style is examined from his arrival in England in

the early 1640s through his years as leading aristocratic and society portraitist and Principal Painter to the King in the 1660s to his mature work in the 1670s when his work is characterized by a restricted palette and cool restraint And finally Lely as collector is examined He assembled one of the largest and most impressive private collections of art in seventeenth century Europe and his acquisitions and their influences benefits and effects are considered Upon Lely's death his highly important collection was dispersed by auction in a series of four well publicized sales in 1681 1682 1688 and 1694 respectively These sales brought many important works to the London art market and were some of the most important sales to date in England as well as the most spectacular of the modern auction world Although Lely initially emulated the style and techniques of Van Dyck he juxtaposed his profound Dutch qualities of rich color dramatic illumination and romantic landscapes and ultimately imbued a sensuality languor and luxurious negligence into the traditions and continuity of Van Dyck's grand Baroque style of English portraiture Subsequently together later with Sir Godfrey Kneller 1646 1723 Sir Peter Lely completely dominated British portraiture from the death of Van Dyck in 1641 until William Hogarth 1697 1764 challenged his style in the first half of the eighteenth century Due to large file size some images within this ebook do not appear in high resolution Cutting Edge John Harvey, 2012-02-14 The brooding British detective returns in this moody revenge tragedy Harvey creates characters of astonishing psychological diversity The New York Times Book Review Karen Archer understands that women who date doctors should expect tardiness The last time she invited Tim Fletcher over he arrived from the emergency room exhausted and barely had time to say hello before he passed out on her bed Tonight her patience has run out After a bottle of wine and too much television she gives up on Fletcher and leaves the house to find her own fun but instead she finds Fletcher covered in blood sprawled across the steps near her building Karen runs to find the police not sure if Fletcher is alive or dead Despite his blood loss Fletcher survives Soon the attacker comes for other members of the hospital staff and police inspector Charlie Resnick must race to find him before the slasher graduates from assault to murder *Off Minor* John Harvey, 2012-02-14 The author of the Frank Elder Mystery Body Soul delivers a powerful first class police procedural Kirkus Reviews Raymond Cooke is looking for revenge not corpses It's been six weeks since the gang of four young punks attacked him since the one with the knife slit open his belly and left him to die on the street After that Raymond bought a knife of his own and has spent his nights lurking in Nottingham's worst pubs hoping for a chance at vengeance Instead walking home one night he encounters a smell that reminds him of his work at the abattoir It's coming from the body of Gloria Summers For over two months police inspector Charlie Resnick has looked for the missing six year old Now that she's been found Raymond Cooke becomes Resnick's chief suspect But to find the killer the disheveled detective may have to look within the girl's own family
