Divine Blessing Timothy P. O'Malley, 2019-06-14 2020 Catholic Press Association honorable mention award pastoral ministry catechetical RCIA teams often struggle with getting catechumens and candidates to participate regularly in the church's liturgy Those who do often feel bored or confused or they see it as a nice tradition or an inconvenient obligation rather than the heart of our Catholic faith So we fill the gap with more catechesis that explains the liturgy to seekers and we pray they will have a better personal experience on Sunday Yet neither causes them to love the liturgy as we do In *Divine Blessing* Liturgical Formation in the RCIA Timothy P O Malley shows us how we can break out of a classroom model about liturgy and instead invite seekers to be formed by the Risen Christ through the liturgy This book will give you a process for preparing your catechumens and candidates to learn the liturgy's symbolic language of self giving love that will sustain them with divine blessing and train them to be Christ's disciples in the world *Reading Catechisms, Teaching Religion* Lee Palmer Wandel, 2015-10-14 *Reading Catechisms Teaching Religion* makes two broad arguments First the sixteenth century witnessed a fundamental transformation in Christians Catholic and Evangelical conceptualization of the nature of knowledge of Christianity and the media through which that knowledge was articulated and communicated Christians had shared a sense that knowledge might come through visions images liturgy catechisms taught that knowledge of Christianity began with texts printed on a page Second codicil catechisms sought not simply to dissolve the material distinction between codex and person but to teach catechumens to see specific words together as texts The pages of catechisms were visual they
