Teach Only Love :

Teach Only Love Gerald G. Jampolsky, 2004 In 1975 Jerry Jampolsky co founded the Center for Attitudinal Healing in Tiburon California where people with life threatening illnesses practice peace of mind as an instrument of transformation Based on the healing power of love and forgiveness the twelve principles developed at the center and explained in this book embrace the idea that total giving and total acceptance are crucial to the healing process and that attitudinal healing can lead to harmony joy and life without fear

Teach Only Love Gerald G. Jampolsky, 2011-10-04 Dr Jampolsky believes there is another way of looking at life that makes it possible for us to walk through this world in love at peace and without fear This other way requires no external battles but only that we heal ourselves It is a process he calls attitudinal healing because it is an internal and primarily mental process Jampolsky believes that attitudinal healing when properly practiced will allow anyone regardless of her circumstances to begin experiencing the joy and harmony that each moment holds and to start her journey on a path of love and hope The mind can be retrained Within this fact lies our freedom Our attitudes determine whether we experience peace or fear whether we are well or sick free or imprisoned Love in its true meaning is the attitude that this book is about Love is total acceptance and total giving with no boundaries and no exceptions Love being the only reality cannot be transformed It can only extend and expand It unfolds endlessly and beautifully upon itself Love sees everyone as blameless for it recognizes the light within each one of us is Love is the total absence of fear and the basis for all attitudinal healing The principles of attitudinal healing have been expanded since *Teach Only Love* was first published in 1983 There are now twelve principles which are used in the 150 Centers for Attitudinal Healing around the world Dr Jampolsky believes that these principles have a universal appeal that crosses cultural and religious barriers He has repeatedly seen how people s lives have transformed when these principles became their heartbeat and their way of communicating with others

A Time for Fusion William H. Calhoun, Ph. D., 2014-05 Fusion offers a backward look at the policies of American and how these policies have failed to advance the broad goals for America We did come out of World War II at a high point in the ascendancy of America but we lost that high point with our failed attempts to rule the rule as per the Heartland theory which guided the policies of western nations for many years Now is an opportune time for America to work to become one of many nations and to work on the issues of water food and health of nations We offer a model for fusion

Jesus' Course in Miracles , 2000 The JCIM derives from the Hugh Lynn Cayce version of the Course which was completed by Helen Shucman and Bill Thetford in 1972 Later editing by others removed about 25% of the material contained in the first five chapters and made numerous editorial changes which affected both the tone and the content of the message Many students consider study of the unabridged JCIM version to be indispensable in their curriculum Text only This edition does not include the Workbook or the Teachers Manual There is a good explanation of the JCIM on our website at <http://jcim.net/sacredsource.html> 306 pages plus 102 page appendix comparing the JCIM with the popular commercial version of the Course
