Language Hacking Mandarin Benny Lewis, Dr. Licheng Gu, 2022-02-15. CRACK THE CODE AND GET FLUENT FASTER. I had to learn a new language in a handful of days for a TV interview. I asked Benny for help, and his advice was invaluable. Tim Ferriss: Ten years ago, Lewis spoke only English. But constant travel along with a buoyant attitude has unmasked the polyglot within. National Geographic: What if you could skip the years of study and jump right to speaking Mandarin? Sound crazy? No, it's language hacking. It's about learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Chinese from day one. Unlike most traditional language courses that try to teach

you the rules of a language Language HackingMandarin shows you how to learn and speak Mandarin Chinese immediately through proven memory techniques unconventional shortcuts and conversation strategies perfect by one of the world s greatest language learners Benny Lewis aka the Irish Polyglot The Method Language Hacking takes a modern approach to language learning by focusing on the essential conversations that learners need to start speaking from day one There s no need to study every word and grammar rule before you start using the language Instead Language Hacking applies the 80 20 principle to language learning giving you the most versatile phrases and most effective shortcuts to help you get fluent faster Through speaking you get the practice you need to progress and the confidence to use the language Each of the 10 units culminates with a speaking mission that you can choose to share on the italki LanguageHacking learner community www.italki.com community where you can submit your missions give and get feedback and extend your learning beyond the pages of the book The audio for this course is available for free on library.teachyourself.com or from the Teach Yourself Library app You don t need to go abroad to learn a language any more

company that is located in a different country but you don't speak the language of that country. This is the case for An An, the narrator of this textbook. An An is a brave panda from Washington D.C. who learned Mandarin and traveled across the world to Beijing for his dream job interview. In this book, you will join An An for 10 hours of chapters for his first day in Beijing, going to his job interview and learning to speak Chinese in a variety of settings. An An will teach you everything you need to know to master basic conversational Mandarin. Follow along as he introduces himself to the job interviewer, describes his favorite pastimes, and as he meets his dream significant other panda Ping Ping. Ranging from asking for directions to communicating with the taxi driver in Mandarin while learning how to count, each lesson combines cultural insights about Chinese traditions and customs alongside basic language instruction.
