## THE LEGEND OF ATLANTIS

The story of Atlantis is one of the most famous legends in the world. It is a story of a powerful civilization that was destroyed by a great flood. The legend was first written about by the Greek philosopher Plato in his book 'Timaeus'. He said that Atlantis was a powerful island empire that was located in the Atlantic Ocean. It was a place of great wealth and power, and it was ruled by a king named Atlantis. The king was a very wise and just ruler, and he was loved by his people. But one day, the king died, and his son took his place. The son was a very different person from his father. He was a very greedy and selfish man, and he did not care for his people. He wanted to be a powerful ruler, and he wanted to have all the wealth and power of his father. So he did many bad things to his people. He took away their land and their money, and he made them work for him. He was a very cruel and unjust ruler, and his people were very angry with him. One day, the people decided to rebel against him. They wanted to get rid of him and his bad rule. So they fought a war against him. The war was very long and hard, but the people finally won. They killed the king and his son, and they took away all his wealth and power. But the king's son was not the only one who was greedy and selfish. There were many other people in Atlantis who were like him. They were all greedy and selfish, and they all wanted to be powerful rulers. So when the king died, they all wanted to be the king. They fought a war against each other, and they all died. The people of Atlantis were very sad when they found out that all the rulers had died. They knew that they were in a very bad situation. They knew that they were going to be destroyed. So they decided to leave Atlantis. They took all their things and they went to a new place. They built a new city, and they lived there for many years. But one day, a great flood came. The flood was very big, and it was very angry. It destroyed the city of Atlantis, and it took away all the people. The people of Atlantis were never seen again. The legend of Atlantis is a story of a powerful civilization that was destroyed by a great flood. It is a story of a king who was greedy and selfish, and it is a story of a people who were brave and just. The legend of Atlantis is a very famous legend, and it is one of the most interesting stories in the world.
