**The A to Z of Ancient Egyptian Warfare** Robert G. Morkot, 2010-06-07 The A to Z of Ancient Egyptian Warfare covers the period from the emergence of the Egyptian state around 3000 BC to the Arab conquest in the mid 7th century AD The book is divided into three main sections An introductory section includes a chronology of Egypt with all known military actions and an essay highlighting the problems of the surviving evidence and its interpretation and the major changes in military technology and organization over the period involved The central section covers a wide range of issues including pharaohs for whom military activities are documented foreign rulers and countries against whom the Egyptians fought or who invaded Egypt weapons and military technology major archaeological sites gods and goddesses associated with warfare arms trade literature and social advancement The third section is a detailed bibliography of the historical phases and archaeological sites and the broader subject areas covered by the dictionary There are maps of Egypt and the surrounding regions and a list with rulers their dates and the dynasties and kingdoms to which they are assigned by Egyptologists

**The Ancient Egyptian Economy** Brian Muhs, 2016-08-02 This book is the first economic history of ancient Egypt covering the entire pharaonic period 3000-30 BCE and employing a New Institutional Economics approach It argues that the ancient Egyptian state encouraged an increasingly widespread and sophisticated use of writing through time primarily in order to better document and more efficiently exact taxes for redistribution The increased use of writing however also resulted in increased documentation and enforcement of private property titles and transfers gradually lowering their transaction costs relative to redistribution The book also argues that the increasing use of silver as a unified measure of value medium of exchange and store of wealth also lowered transaction costs for high value exchanges The increasing use of silver in turn allowed the state to exact transfer taxes in silver providing it with an economic incentive to further document and enforce private property titles and transfers

**Peace in Ancient Egypt** Vanessa Davies, 2018-09-04 One of the world's oldest treaties provides the backdrop for a new analysis of the Egyptian concept of hetep peace To understand the full range of meaning of hetep Peace in Ancient Egypt explores battles against Egypt's enemies royal offerings to deities and rituals of communing with the dead Vanessa Davies argues that hetep is the result of action that is just true and in accord with right order maat Central to the concept of hetep are the issues of rhetoric and community Beyond detailing the ancient Egyptian concept of hetep it is hoped that this book will provide a useful framework that can be considered in relation to concepts of peace in other cultures Read a recent blog post about the book here

**Historical Dictionary of Ancient Egyptian Warfare** Robert Morkot, 2003 Also included are maps of Egypt and the surrounding regions and a chronological list of rulers and their dates and the dynasties and kingdoms to which they are assigned Egyptologists This reference is aimed primarily at students and those interested in ancient Egypt The

arrangement of the book as a dictionary means that it can be used independently as a research tool or in conjunction with other works such as histories or translations of Egyptian texts The user can find concise definitions and descriptions and brief accounts of military actions Through the cross referencing of each entry and in conjunction with the bibliography the reader can pursue wider issues and locate more detailed studies

**BOOK JACKET** Foreigners in Ancient Egypt Flora Brooke Anthony, 2016-12-01 In ancient Egypt one of the primary roles of the king was to maintain order and destroy chaos Since the beginning of Egyptian history images of foreigners were used as symbols of chaos and thus shown as captives being bound and trampled under the king's feet The early 18th dynasty 1550-1372 BCE was the height of international trade diplomacy and Egyptian imperial expansion During this time new images of foreigners bearing tribute became popular in the tombs of the necropolis at Thebes the burial place of the Egyptian elite This volume analyses the new presentation of foreigners in these tombs Far from being chaotic they are shown in an orderly fashion carrying tribute that underscores the wealth and prestige of the tomb owner This orderliness reflects the ability of the Egyptian state to impose order on foreign lands but also crucially symbolises the tomb owner's ability to overcome the chaos of death and achieve a successful afterlife Illustrated with colour plates and black and white images this new volume is an important and original study of the significance of these images for the tomb owner and the functioning of the funerary cult

**The Economy of Ancient Egypt** Mahmoud Ezzamel, 2024-08-21 Taking ancient records as the starting point for analysis this book theorises the state administration and economy of ancient Egypt The Egyptian state is theorised as an administrative field of material and symbolic powers with emphasis upon the latter because it has received scant attention in Egyptology Maat truth fairness connective justice is theorised as symbolic power discursively authored disseminated and monitored by senior administrators who redefined its meaning to suit changes in the sociopolitical contexts The book examines the classification schemes of the Egyptian population devised by the administrative field of power and how they were used to differentiate hierarchise and fix specific individuals within clearly demarcated social and economic categories that aimed to fix the subjectivity of those assigned to each category Ancient Egyptian had a significant state economic sector and a private sector A multiplicity of sources of state economic resources are examined taxation impost war booty and tributes and gifts exchanged between the Egyptian kings and foreign kings A nuanced understanding of Polanyi's work on redistribution is used to theorise the cycle of levying collecting storing and redistributing tax revenues Exchanges of gifts between Egyptian kings and kings from Asia Minor are theorised as occurring on a stage of institutional drama war booty as an economy of force and tribute as an economy of restitution Private exchange is theorised by developing the concept of sociable markets and drawing on Maat in its various meanings as truth fairness and connective justice This book will be of interest to readers in the fields of economic history ancient Egypt and ancient history more broadly
