The Official Jap Handbook:

The Official J.A.P. Handbook Anna Sequoia, 1982 **Siegel and Shuster's Funnyman** Tom Andrae, Mel Gordon, Jerry Siegel, Joe Shuster, 2010 Documenting the amazing back story of the world's first Jewish superhero Siegel and Shuster's Funnyman is an important document of comics and Jewish history Funnyman aka Larry Davis is a red haired television comedian whose agent talks him into performing a superhero like stunt in order to obtain publicity This stunt goes wrong when Larry finds himself in a real crime scene Larry stops this criminal not knowing what he is doing is real until after the fact Discovering that he enjoys fighting crime Larry begins a career as the costumed crime fighter Funnyman The Humor Prism in 20th-century America Joseph Boskin, 1997 The Humor Prism in Twentieth Century America explores to what extent and in what ways American humor in the twentieth century reflects history Why do some jokes evaporate after the telling while others are transmitted to subsequent generations Just what property of humor allows it to touch diverse members of a culture at a given time As a penetrating and refracting angle of history humor illuminates the expectations and contradictions of society its anxieties and confusions and permits perspective into any historic moment The Humor Prism in Twentieth Century America explores to what extent and in what ways American humor in the twentieth century reflects history examining the dynamics and disguised messages behind humor The first section of this volume concentrates on patterns of humor in the twentieth century Section two looks at the power and politics of women's humor and at multicultural humor The final section presents and evaluates the major joke cycles from the post World War II period to the 1990s as responses to profound social and economic change such as Polish jokes and JAP jokes Rebellious Laughter Joseph Boskin, 1997-11-01 Rebellious Laughter changes the way we think about the ordinary joke Claiming that humor in America is a primary cultural weapon Boskin surveys the multitude of joke cycles that have swept the country during the last fifty years Dumb Blonde jokes Elephant jokes Jewish American Princess jokes Lightbulb jokes Readers will enjoy humor from many diverse sources whites blacks women and Hispanics conservatives and liberals public workers and university students the powerless and power brokers Boskin argues that jokes provide a cultural barometer of concerns and anxieties frequently appearing in our day to day language long before these issues become grist for stand up comics Cracking Jokes Alan Dundes, 2017-01-19 **A Sampler of Jewish-American Folklore** Josepha Sherman, 1992 In this American Folklore Series volume Josepha Sherman presents the rich and varied folklore of the American Jew This affectionate and unflinching examination of the traditions of American Jews offers insights for expert and casual students of folklore and makes an ideal gift for anyone interested in the origins of Jewish culture Includes line drawings collection notes motif index and bibliography

Japanese War Crimes and Related Topics: A Guide to Records at the National Archives United States. National Archives and Records Administration, 200? This finding aid will help researchers interested in Japanese war crimes war criminals and war crimes trials to navigate the vast holdings of the U S National Archives and Records Administration at

College Park NARA It will also be useful to anyone interested in military intelligence political diplomatic economic financial social and cultural activities in the Far East during 1931 1951 as well as to those searching for information regarding Allied prisoners of war the organization functions and activities of American and Allied agencies and the Japanese occupation of countries and the American occupation of Japan While not aimed at researchers interested in the strategic and tactical military and naval history of the war in the Far East this finding aid may nevertheless be useful to those with such interests if only to identify record groups and series of records that may bear on those topics This finding aid covers records from over twenty record groups and includes materials declassified under the Japanese Imperial Government Disclosure Act of 2000 P L 106 567 as well as records that were never classified and those declassified before the passage of the Disclosure Act Because the process of identifying declassifying accessioning and processing of records under the Act is taking place as this finding is being compiled late arriving records may not be identified in this finding aid Researchers should consult the IWG Web site <http://www.archives.gov/iwg> for a complete and up to date list of records declassified under the Japanese Imperial Government Disclosure Act Federal agencies involved in the identification and declassification of relevant classified records ascertained that there were relatively few pertinent records that were still classified Most relevant records were either never classified or were declassified decades before the Act and were already in NARA s custody While this finding aid s coverage is broad it is not comprehensive Researchers may find other relevant series of records within the record groups mentioned or not mentioned Researchers are encouraged to use other finding aids and consult with NARA staff to locate records of interest In addition the National Archives at College Park holds nontextual records such as still photographs and motion pictures that researchers may want to examine Other NARA facilities hold many records and donated material related to World War II including records related to the subjects covered in this finding aid This is particularly true of the Franklin D Roosevelt the Harry S Truman and the Dwight D Eisenhower archives Think of archives as vast mountain ranges of records with the archivists guiding the expeditions Explorations on familiar well trodden paths produce new perspectives when examined with fresh eyes and imagination *Midstream* ,1986 The Mirth of Nations Christie Davies,2017-07-28 The Mirth of Nations is a social and historical study of jokes told in the principal English speaking countries It is based on use of archives and other primary sources including old and rare joke books Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups In this way he achieves an appreciation of the unique characteristics of the humor of each nation or group A tightly argued book The Mirth of Nations uses the comparative method to undermine existing theories of humor which are rooted in notions of hostility conflict and superiority and derive ultimately from Hobbes and Freud Instead Davies argues that humor merely plays with aggression and with rule breaking and that the form this play takes is determined by social structures and intellectual traditions It is not related to actual conflicts between groups In particular Davies convincingly argues that Jewish humor and jokes are neither uniquely nor overwhelmingly self mocking as many

writers since Freud have suggested Rather Jewish jokes like Scottish humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self awareness The volume shows that the forty year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles Jokes are not serious and are not a form of determined aggression against others or against one s own group The Mirth of Nations is readable as well as revisionist It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner Its rich use of examples of all kinds of humor entertains the reader who will enjoy a great variety of jokes while being enlightened by the author s careful explanations of why particular sets of jokes exist and are immensely popular The book will appeal to general readers as well as those in cultural stu *The Wealthy, the Brilliant, the Few* Sophie
