The Collected Poems of Kenneth Koch Kenneth Koch, 2012-07-25 Kenneth Koch has been called one of our greatest poets by John Ashbery and a national treasure in the 2000 National Book Award Finalist Citation Now for the first time all of the poems in his ten collections from *Sun Out* poems of the 1950s to *Thank You* published in 1962 to *A Possible World* published in 2002 the year of the poet's death are gathered in one volume Celebrating the pleasures of friendship art and

love the poetry of Kenneth Koch has been dazzling readers for fifty years Charter member along with Frank O'Hara, John Ashbery and James Schuyler of the New York School of poets, avant garde playwright and fiction writer, pioneer teacher of writing to children. Koch gave us some of the most exciting and aesthetically daring poems of his generation. These poems take sensuous delight in the life of the mind and the heart, often at the same time. O what a physical effect it has on me. To dive forever into the light blue sea. Of your acquaintance. In Love with You. Here is Koch's early work, love poems like *The Circus* and *To Marina*, and such well remembered comic masterpieces as *Fresh Air*, *Some General Instructions* and *The Boiling Water*. A serious moment for the water is when it boils. And here are the brilliant later poems *One Train May Hide Another*, the deliciously autobiographical address in *New Addresses* and the stately elegy *Bel Canto*, poems that beneath a surface of lightness and wit speak with passion, depth and seriousness to all the most important moments in one's existence. Charles Simic wrote in *The New York Review of Books* that for Koch poetry has to be constantly saved from itself. The idea is to do something with language that has never been done before. In the ten exuberant, hilarious and heartbreaking books of poems collected here, Kenneth Koch does exactly that.

Poems Charles Kingsley, 1903 **Animal Psalms - Poems** Alfred Nicol, 2016-05-30

Alfred Nicol's *Animal Psalms* begins with the baseball field's organized uncertainties and continues on many a trajectory of animal ruminations with the human species well accounted for, ending in the imbalance of the everyday. Nuts around us. The subjects include the elephant, snake, sheep, skunk, bee, couple dynamics, the trials and triumphs of the ruler or the everyman. This is a collection rich in aphorisms on the bright and shady spectra of our interactions. Recognizable soliloquies with the meditative self or dialogues with the beloved are unraveled for keen insights on the human condition, deconstructing them until the knotty connecting threads are exposed. Nicol gives us a mature collection of quiet reflection with wit and wisdom deployed through finely crafted poems of masterly formal dexterity.

PRAISE FOR ANIMAL PSALMS

Dear reader, I've fallen in love with this book and that will happen to you too. Read for instance the very last poem *Nuts* and read the great *How to Ignore an Invisible Man* and you're hooked forever. Read all the rest, these poems by Alfred Nicol which have our numbers and have his own too, that tell about our lives and his and the lives of snakes and bees and elephants with such humor and pity and praise for all of us, human and animal in our situations. It's impossible not to fall in love. David Ferry, author of *Bewilderment*, winner of the National Book Award. As the title *Animal Psalms* suggests, there is reverence here, a reverence that derives less from religion than from a religious attention to the things of the world, from baseball games to zoo elephants to the newly beloved. Nicol is a melodic writer, called first to the music of words to speech that lets the sound carry the greater part of what is said. He's also a poet whose images you won't soon forget. They summon the real world and simultaneously render it otherworldly. While the poems offer moments of ecstatic escape, they're more often held in check by an Augustan wit, ironic humor and a touch of Baudelaire. Poise and wit prevail in these psalms; they give us both despair, inflected by light and illumination, held fast by darkness. Erica Funkhouser, author of *Earthly*. If we would only take the time to

let one of Alfred Nicol's poems sink in through the brilliant latticed grid of its formal exterior how the truth of what he has to say about the human condition would hit us the way a line drive whips toward you on a dreamy summer's afternoon startling you back into the electric now I love these poems because they evoke for me the zany spiritual energy of the Beats welded as only a workman can work unwieldy things to the tempered grid of six centuries of formalism Don't be surprised if after reading these poems you find them turning back to their true subject dear reader which turns out to be none other than you Paul Mariani author of *Epitaphs for the Journey* **Poems and Short Stories Vol.1** Casey Mensing, 2019-07-17 A collection of poems and short stories detailing love the past and present tossed together in the haunts of old Los Angeles A Directory of American Poets and Fiction Writers Poets and Writers, Inc.
