The Olive Grove:

The Olive Grove Lodge Karin Hatzmann, 2021 *The Olive Branch* Jo Thomas, 2015-03-26 Can love bloom in the groves of Italy I loved it Katie Fforde Escape to Italy with The Olive Branch the irresistible summer novel from Jo Thomas author of ebook bestseller The Oyster Catcher You can buy almost anything online these days For Ruthie Collins it was an Italian farmhouse Yet as she battles with a territorial goat and torrential rain just to get through the door of her new Italian home the words of Ed her ex are ringing in her ears She is daft impetuous and irresponsible But Ruthie is determined to turn things around and live the dream First though she must win over her fiery neighbour Marco Bellanouvo and his family Then there s the small matter of running an olive farm As the seasons change and new roots are put down olives and romance might just flourish in the warmth of the Mediterranean sun What readers are saying about The Olive Branch Characters that come to life and each chapter comes with a smile An uplifting and thoroughly enjoyable read providing a little escapism a little romance and a lot of determination A heart warming book you will find hard to put down A feel good book Great for a holiday read

Works of Guy de Maupassant Guy de Maupassant, 1903 *The Olive Landscapes of the Mediterranean* José Muñoz-Rojas, Roberto García-Ruiz, 2024-12-13 This book provides a state of the art review of the current models and typologies of olive landscapes and related farming systems in the Mediterranean It also explores potential prospects for monitoring and enhancing their sustainability standards Olive groves are an essential component of the historical landscape that largely drive the cultural ecological and socio economic character of the region Agronomic intensification and mechanization market globalization and delocalization and financialization are affecting these ancient farming systems in certain olive landscapes whereas others are threatened by abandonment and financial loss This complex set of processes is resulting in a heterogeneous mosaic of olive landscapes when examined across nested spatial temporal scales and institutional levels In alignment with such complexity multiple challenges are arising linked to sustainability standards and targets Sustainability has actually been the subject of much public discussion and yet of not nearly enough scientific evidence gathering that is both robust and comparable across geographic contexts and scales This is where this book is expected to provide a meaningful contribution Ultimately the main objective of this book is to establish a base line sustainability picture of the complex mosaic of olive landscapes across the Mediterranean region The book is structured along a series of national regional and thematic reviews and syntheses which lead to joined up reflections on current and future challenges opportunities and trajectories for enhancing the sustainability of olive landscapes across the Mediterranean The book will be of interest to academics and researchers policy makers the farming community and market agents alike We expect that they will find in this book an overall picture of the sector s current situation and plausible pathways for achieving enhanced sustainability standards whilst also permitting the reader to gain depth on the contingent characteristics of the different drivers components and typologies of these dynamic and valuable landscapes

The Olive Grove Jean S. MacLeod, 1986

The Crooked Olive Branch Frederick Munn, 2022-02-27 Stories of heroism and bravery during the Second World War are legend Many of them have remained secret This fictional account inspired by real events experiences and histories has all the hallmarks of a spy novel with its many twists and turns The action switches from a peaceful setting in a sleepy village in the Home Counties to the raw unyielding terrain of the former Yugoslavia and its demands on the courageous band of partisans to aid a seriously injured British Officer escape a determined Nazi S S With ingenuity good fortune along with an attached British S O E unit they outwit the occupying German Army

The Olive Andrea Fabbri, Luciana Baldoni, Tiziano Caruso, Franco Famiani, 2023-11-23 The European or Mediterranean cultivated olive *Olea europaea* L subsp *europaea* var *europaea* is an ancient crop notable for its early domestication Today hundreds of olive varieties are grown to produce high quality fruit for oil and table olives for human consumption Over the last 30 years the olive industry has undergone profound innovation due to scientific and technical advances particularly in genomics breeding orchard management mechanization and agro ecology Not all these developments are currently available to smaller producers Outside the Mediterranean Basin where it has been present for over 6 000 years olive cultivation has spread to many other countries These new olive growing areas are helping further the expansion of the industry due to increased awareness of the nutritional and health properties of extra virgin olive oil The Olive Botany and Production is an invaluable resource for researchers and students in horticulture and agriculture in addition to producers involved in olive orchard management

Culture and the Rites/Rights of Grief Zbigniew Białas, Paweł Jędrzejko, Julia Szoltysek, 2013-09-20 Although generally resented and deemed unfavourable for individuals societies and nations grief grievance and grieving along with a complex list of epithets that could under varying circumstances accompany them racial grief political grievance protracted grieving chronic grief traumatic unresolved grievance nevertheless occupy a significant place in culture and its manifestations in literature art history science and politics Culture and the Rites Rights of Grief offers an intellectual excursion into realms of potentially regenerative problematics too frequently dismissed without due consideration In this light the volume constitutes a weighty contribution to the field of literary and cultural studies First and foremost however Culture and the Rites Rights of Grief is to be intellectually enjoyed by readers with an interest in present day literary cultural and political phenomena at the intersection of which grief and grieving execute an imposing presence albeit one that remains as indeterminate and flitting as the nature of contemporary cross cultural and cross disciplinary encounters
