Jestice,2004-12-15 A cross cultural encyclopedia of the most significant holy people in history examining why people in a wide range of religious traditions throughout the world have been regarded as divinely inspired

The first reference on the subject to span all the world's major religions *Holy People of the World: A Cross Cultural Encyclopedia* examines the impact of individuals who through personal charisma and inspirational deeds served both as glorious examples of human potential and as envoys for the divine. *Holy People of the World* contains nearly 1,100 biographical sketches of venerated men and women. Written by religious studies experts and historians, each article focuses on the basic question: How did this person come to be regarded as holy? In addition, the encyclopedia features 20 survey articles on views of holy people in the major religious traditions such as Islam, Buddhism, and African religions, as well as 64 comparative articles on aspects of holiness and veneration across cultures such as awakening and conversion experiences, heredity, gender, asceticism, and persecution. Whether exploring by religion, culture, or historic period, this extensively cross-referenced resource offers a wealth of insights into one of the most revealing and least explored common denominators of spiritual traditions.

The Book of Life Vlad Blaze, 2020-05-14 Greetings to all who have opened the start of this book! I wish you the best and hope that this book will bring you a positive change in your lifestyle by being more spiritual, peaceful, and active from the teachings of this book. This book's first section covers a large section of enlightenment and how to acquire such a gift given by a higher power. The other sections bring about what wisdom enlightenment brings to the mind to be more active rather than being idle. It's difficult to imagine a more exciting topic. Read aloud slowly and carefully for this book carries a degree of heavy perspective and intelligence to read. This book speaks mostly about attaining enlightenment through the power of the mind, body, and spirit. Mostly on the mind due to the fact to activate one's mind to the spirit is the first key in enlightenment. Enlightenment provides healing and redemption for the mind, body, and spirit; one would have to be insane if not wanting to learn or evolve the mind from mistakes and pain that one has experienced. Enlightenment brings about a multi-dimensional perspective of optimism and not a linear, mind-one-track mind to be able to make more paths, connections in life. The true question in life is: where you happy with what you had, past what you have currently, present or will you be happier in the place where you are heading, future? Last but not least, be happy with your life, be happy for what you have, and be happy for the gift of life that is given to you every day.
