365 DAYS In the Secret Place. Obiora OKAFOR, 2021 According to several research and recommendation from some school of thoughts the place of daily prayers and bible devotions remains one of the major secret of the successful Where there is daily devotion God is always at hand with His gracious presence If you desire to be uncontaminated have solid faith and gradually go on with your devotional practices with an undivided attention The main measure of your devotion to God is taken at the place of prayers and bible study life Behind the obscurity of a closed eye shines the light of God When you behold that light in meditation and devotion hold onto it with devotional zeal Consider yourself inside it That is where God lives A devotional life style induces in you a desire for experiencing the truth to glimpse the beauty that is God to taste the bliss that is the Self It encourages man to dive into himself and be genuinely his real Self Our devotional life with God is more like the planting of a garden When we arise from sowing into the secret place we will not usually be able to point to immediate results or benefits What we sow today will require an entire season of growth before the results are manifest He that dwells in the secret place of the most High shall abide under the shadow of the Almighty Psalms 91:1 KJV It's entirely different waking up in the morning and praying I read aloud six or seven different devotional books one of which is the Bible and ask the Lord to be with me that day In this devotional book we have been provided with every day guide to maintaining a solid prayer life throughout the year more also daily bible devotion manual However I recommend you follow this project daily and the grace of God shall bring you and your household to experience an all round divine visitation throughout the year in Jesus Mighty Name Shalom Pastor Obi
