**Dionysus Reborn** Mihai Spariosu,1989 Mihai Spariosu here explores the significance of the closely linked concepts of play and aestheticism in philosophical and scientific discourse since the end of the eighteenth century Spariosu points out that since its birth in archaic and classical Hellenic thought the concept of play has always been subject to the influences of various rational and prerational sets of values Spariosu maintains that there have been not one but two major modern concepts of aestheticism artistic aestheticism related to a prerational mentality and introduced in modern thought by Schopenhauer and Nietzsche and philosophicalscientific aestheticism initiated by Kant and Schiller and shaped by rationalism According to Spariosu the first has often arisen in response to the attempts of philosophy and science to impose their standards on art and the second has often been called on to deal with the epistemological crises that periodically shake these disciplines Spariosu also looks closely at some of the play concepts that surface in modern science in connection with the Darwinian theory of evolution and the play of scientific discourse itself as exemplified by the new physics and the contemporary philosophy of science A penetrating and cogently argued book *Dionysus Reborn* will be welcomed by readers interested in Continental philosophy scientific discourse and the aesthetics of play including literary theorists comparatists philosophers intellectual historians and social scientists

*The Second Chance* Joseph R. Lange,2021-04-13 Throughout the history of humanity God as we have known him or a greater power yet unknown to us has been prayed to for all manner of wants and perceived needs God s plan is never understood Who has the mind of the Lord that they can reason with God Jack Young has lived a long life a life well lived His best friend of forty one years has died the dreaded cancer taking his unsuspecting life If only we could get a second chance If only God gave second chances Perhaps God can be convinced Perhaps Perhaps God will allow a change to the plan he has set into motion To our inevitable day and time when we depart this earth The day and manner unknown The emotional trauma from the loss of Dan Collins has sent Young s life into terminal descent Until in the quiet of the cold Wisconsin cemetery God perhaps has reconsidered For Jack Young to find the meaning before time runs out will consume his life the second chance must not be wasted
