they must escort April and Rebecca through the dark realm with hopes of making it to Waters Edge before the Elvin lord of this world and his army discover them However Legna has sensed the presence of the Chosen One and is desperately trying to find her before she can escape for he envisions himself as the prince to fulfill the prophecy with her More of the prophecy will be revealed though as they encounter the Specter and Death makes a demanding request of the Chosen One before she can leave the forsaken valley With war the only possible outcome for the Elvin world they now also have to battle the world of men but the human king will meet them with an unexpected power that could alter the outcome of both worlds Can the Chosen One fulfill the prophecy before it s too late

### **The Other Side of Midnight - The Prophecy** Karen

Rivello,2010-11-11 One prophecy two families one moon two worlds who will survive A curse has spread across the elvin realm of Waters Edge and only the chosen one from the human world can stop it One hundred years after the prophecy was foretold on the night of the harvest moon the small village celebrates its bountiful year never suspecting that their ancient lore was about to unfold Though none believed it could not stop the events from unfolding and only a few who had been unwillingly drawn in could hope to stop the elvin prince that had betrayed his own As the power of the elvin king wanes the shadow dragon has also returned to the human world leaving the pools open for more evil and vile things to pass through and unless the two worlds pull their armies together none may survive How many must perish before the prophecy can be fulfilled

**HORI-On The Other Side of Midnight** Ian Richardson,2007 For anyone who has ever wondered whether they have lived before the story of Hori an Ancient Egyptian priest who lived some 3 500 years ago in Ancient Egypt at Karnak Thebes is inspiring The possibility of reincarnation of communication beyond the grave in some kind of time travel is riveting enough Hori has been Re Born Read through his Tales of Long Ago Pharaohs Battles Murders and Intrigue of Gods Magic and Love The purpose of this book aims to dispel any fear the reader may have of passing over and to allow everyone to take an enlightened approach into Past Lives as you follow in the footsteps of Hori where Past and Present meet through time

**The Other Side of Midnight - The Return** Karen Rivello,2015-07-10 The elves of Waters Edge have set upon the world of men to find Leg a and make him pay for the treason against his own kin though they are not the only ones to have breached the pools into the human world As more prophecies come to light there are also more surprises as the small Elvin party A lior is leading align themselves with the humans It is the only way to win against King rrin who now possesses the black stone of Dalbhach and as is the stone s nature the human king has also fallen to its call in the form of a green dragon When the battles converge on both worlds the chosen one is finally revealed atop the thousand steps and it s not what the elves expected The One with blood still pure is the only one who can wield the blood sword of a blue dragon forged by the blue flame How had the Elvin child been hidden for so long And who are the other elves that have lived among men that now come to their rescue Death waits for many and yet Death itself will fail
