All people are conveniently ignoring the fact that a law doesn't exist in in the vacuum. These judges hear the cases of this type more often than us human being who gts outraged by one headline. And any judgement given in favour of her willnot only go against precedent , but will also create another precedent where such law will be flagrantly misused.

People forget that rape in India is one of the most serious offence in our law books, arguably even stricter than murder charges. And the burden of proof in most cases lies with defendant. Hence Marital rape as a concept can never be realized in India until , the marriage law remain hostile in India. The bunch of that an agrived women can force upon a man due to a nasty breakup, is already a big problem and now add on to that mrotal rape, would be asking innocent men to just kill themselves.

And those who will argue about what about the women who are actual victims of the real problem of Marital rape, I would say I have sympathy for them , similar to how you should have sympathy for those men who are implicated under bunch of false cases like dowry and domestic violence.

Again, The whole regime doesn't work in vacuum , and these judges are far more experienced to give judgements than me or you who just keyboard warriors with no real life experience on the ground, where as these judges do their jobs day in and day out on these same issues.

Are Women Human? Catharine

A. MacKinnon, 2007-11-30 More than half a century after the Universal Declaration of Human Rights defined what a human being is and is entitled to Catharine MacKinnon asks Are women human yet She exposes the consequences and significance of the systematic maltreatment of women and its systemic condonation as she points toward fresh ways of targeting its toxic orthodoxies A critique of the transnational status quo that also envisions the transforming possibilities of human rights this bracing book makes us look as never before at an ongoing war too long undeclared **Libertatem Magazine**, 2015-07-24

The Libertatem Magazine is a Law Magazine launched by The Law Brigade a startup of two students from Institute of Law Nirma University Ahmedabad Ankita Ranawat Rahul Ranjan The Group's name The Law Brigade should be taken as a fire brigade which reaches where there is fire The fire which is present in the law students and members of the legal arena Libertatem is a latin word meaning a sense of freedom of expression It channelizes this expression of the person who has something to express irrespective of the fact that what the CV of that person says which is given a very high value and everybody is in a rat race to build it It provides a platform to people who have something to express for the welfare of the community at large A joint effort of students and faculty law this a medium for the maximum utilization by all of you Through this platform students will be getting to know about the talk of the town of the legal arena call for papers MUN's taking place and other related things which a student should do and are there for welfare People will also get to know about the ideas of the eminent personalities as there interviews which in turn are a message will be there in the magazine itself A picture gallery is also waiting for you all which will be having a greater impact So to broaden the scope of your knowledge and to get out of stereotype journals this is an arena for you all to express and get impress Plight and Fate of Women During and Following Genocide Samuel Totten, 2017-07-05 The plight and fate of female victims during the course of genocide is radically and profoundly different from their male counterparts Like males female victims suffer demonization ostracism discrimination and deprivation of their basic human rights They are often rounded up deported and killed But unlike most men women are subjected to rape gang rape and mass rape Such assaults and degradation can and often do result in horrible injuries to their reproductive systems and unwanted pregnancies This volume takes one stride towards assessing these grievances and argues against policies calculated to continue such indifference to great human suffering The horror and pain suffered by females does not end with the act of rape There is always the fear and reality of being infected with HIV AIDS Concomitantly there is the possibility of becoming pregnant Then there is the birth of the babies For some the very sight of the babies and children reminds mothers of the horrific violations they suffered When mothers harbor deep seated hatred or disdain for such children it results in more misery The hatred may be so great that children born of rape leave home early in order to fend for themselves on the street This seventh volume in the Genocide series will provoke debate discussion reflection and ultimately action The issues presented include ongoing mass rape of girls and women during periods of war and genocide ostracism of female victims terrible psychological and physical wounds the plight of offspring resulting from

rapes and the critical need for medical and psychological services

The Bible in Crime Fiction and Drama Caroline Blyth, Alison Jack, 2019-01-24 The Bible has always enjoyed notoriety within the genres of crime fiction and drama numerous authors have explicitly drawn on biblical traditions as thematic foci to explore social anxieties about violence religion and the search for justice and truth The Bible in Crime Fiction and Drama brings together a multi disciplinary scholarship from the fields of biblical interpretation literary criticism criminology and studies in film and television to discuss international texts and media spanning the beginning of the 20th century to the present day The volume concludes with an afterword by crime writer and academic Liam McIvanney These essays explore both explicit and implicit engagements between biblical texts and crime narratives analysing the multiple layers of meaning that such engagements can produce cross referencing Sherlock Holmes with the murder mystery in the Book of Tobit observing biblical violence through the eyes of Christian fundamentalists in Henning Mankell's *Before the Frost* catching the thread of homily in the serial murders of *Se7en* or analysing biblical sexual violence in light of television crime procedurals The contributors also raise intriguing questions about the significance of the Bible as a religious and cultural text its association with the culturally pervasive themes of violence morality and redemption and its relevance as a symbol of the often fraught location that religion occupies within contemporary secular culture

The Gendered New World Order Jennifer Turpin, Lois Ann Lorentzen, 2013-10-31 Ecological security seems increasingly precarious and battles over land and models of economic development now lead to military conflicts The Gendered New World Order addresses the compelling issue of how gender connects the global problems of militarism underdevelopment and environmental decay Scholars from around the world make connections between seemingly disparate issues such as refugees polluted waters bombed villages massive dam projects starving children deforestation nuclear arms buildup and the rights of women

Southern Slavery and the Law, 1619-1860 Thomas D. Morris, 2004-01-21 This volume is the first comprehensive history of the evolving relationship between American slavery and the law from colonial times to the Civil War As Thomas Morris clearly shows racial slavery came to the English colonies as an institution without strict legal definitions or guidelines Specifically he demonstrates that there was no coherent body of law that dealt solely with slaves Instead more general legal rules concerning inheritance mortgages and transfers of property coexisted with laws pertaining only to slaves According to Morris southern lawmakers and judges struggled to reconcile a social order based on slavery with existing English common law or in Louisiana with continental civil law Because much was left to local interpretation laws varied between and even within states In addition legal doctrine often differed from local practice And as Morris reveals in the decades leading up to the Civil War tensions mounted between the legal culture of racial slavery and the competing demands of capitalism and evangelical Christianity

The Chicano Generation Mario T. García, 2015-05-12 This is the story of the historic Chicano Movement in Los Angeles during the late 1960s and 1970s The Chicano Movement was the largest civil rights and empowerment movement in the history of Mexican Americans in the

United States The movement was led by a new generation of political activists calling themselves Chicanos a countercultural barrio term This book is the story of three key activists Raul Ruiz Gloria Arellanes and Rosalio Muanoz who through oral history related their experiences as movement activist to historian Mario T Garcaia As first person autobiographical narratives these stories put a human face to this profound social movement and provide a life story perspective as to why these individuals became activists Provided by publisher

Sex, Lies & Feminism Peter D. Zohrab,2002 *Rape in Wartime* R. Branche,F. Virgili,2012-10-26 This collection offers a new reflection on rape in war time through 15 case studies ranging from Greece to Nigeria It questions the specificity of rape as a universal transgression its place in memories of war its legacies including children born from rape and the challenge of writing about intimate violence as both a scientist and a human Philosophising Experiences and Vision of the Female Body, Mind, and Soul: Historical Context and Contemporary Theory Musingafi, Maxwell Constantine Chando,Mafumbate, Racheal,Khumalo,

Thandi Fredah,2021-04-23 Much of our understanding of the world our societies and ourselves rests on theories and knowledge generated predominantly by men of certain nationalities and economic classes This male dominated and culturally specific theorizing and knowledge have generally resulted in the exclusion of women and other groups from the process of formal theorizing and knowledge building Feminism argues that the male dominated knowledge represents a skewed perception of reality and is only partial knowledge Feminism is a generalized wide ranging system of ideas about social life and human experience developed from a woman centered perspective It treats women as the central subjects in the investigative process and seeks to see the world from the distinctive vantage points of women in the social world The best way to empower women and better the situation for women is to take women s daily experiences and their informal theorizing into account and on this basis adopt feminist approaches to building theory and knowledge Philosophising Experiences and Vision of the Female Body Mind and Soul Historical Context and Contemporary Theory provides an overview and introduction to the study of feminist theory and practice in the social sciences This book provides a starting point for further and more advanced study of the nexus of feminism gender and development and translates feminist theory and concepts into practice The chapters investigate in a historical context mainstream and contemporary theories of feminism and gender studies This book is ideal for post graduate students of social science researchers of development management business management public governance and gender and development activists feminists and practitioners stakeholders researchers academicians and students interested in feminist theory and knowledge building

Transitional Justice and Reconciliation Martina Fischer,Olivera Simic,2015-11-06 Scholars and practitioners alike agree that somehow the past needs to be addressed in order to enable individuals and collectives to rebuild trust and relationships However they also continue to struggle with critical questions When is the right moment to address the legacies of the past after violent conflict How can societies address the past without deepening the pain that arises from memories related to the violence and crimes committed in war How can cultures of remembrance be established that would include and acknowledges the victims of all sides involved in violent conflict How can various actors deal constructively with different interpretations of facts and history Two decades after the wars societies in Bosnia Serbia and Croatia albeit to different degrees are still facing the legacies of the wars of the 1990s on a daily basis Reconciliation between and within these societies remains a formidable challenge given that all three countries are still facing unresolved disputes either at a cross border level or amongst parallel societies that persist at a local community level This book engages scholars and practitioners from the regions of former Yugoslavia as well as international experts to reflect on the achievements and obstacles that characterise efforts to deal with the past Drawing variously on empirical studies theoretical discussions and practical experience their contributions offer invaluable insights into the complex relationship between transitional justice and conflict transformation
