MacInnes, 2017-02-21 When a compassionate judge gives an angry and troubled young man the choice between going to a mysterious horse ranch in the western Rockies or going to jail the choice seems obvious But when he arrives with his parents at an old hunting lodge on Lake Sandoza they soon realize this isn't like any place they've been before Torn apart by frustration and bitterness after years of trying to control their wayward son the parents are at their wits end Under the guidance of their patient and intriguing hosts the family must open their hearts challenge their beliefs and push themselves to change in ways they never thought they could Set against a backdrop of vast and stunning landscapes The Other Side of Here shows us that even when we are in our deepest despair sometimes the kindness of complete strangers can be our salvation

**On the Other Side of Chaos** Ellen Van Vechten, 2018-12-04 A lawyer turned drug counselor examines the disruption many families endure when addiction impacts their lives Based in part on her own family's journey Ellen Van Vechten explains the science of addiction the theory of treatment and the Twelve Step model of recovery providing sensible information and tips for reasoned action in support of a loved one while fostering personal growth and recovery Powerlessness over another's addiction has a caustic effect on the family Too often parents and partners equate letting go with giving up While acceptance of a lack of control is essential to coping with the disease within the family system there is nothing passive about supporting a partner or child on their journey to recovery This concept is the foundation of Van Vechten's original approach to empower individuals with knowledge which when coupled with acceptance allows any family dealing with active addiction to make thoughtful and reasoned decisions to facilitate the recovery of both their loved ones and themselves
