... By I.S. of the Society of Jesus [i.e. James Sharpe]. James SHARPE (Jesuit.),1630 Emancipation, the Union Army, and the Reelection of Abraham Lincoln Jonathan W. White,2014-06-09 The Union army s overwhelming vote for Abraham Lincoln s reelection in 1864 has led many Civil War scholars to conclude that the soldiers supported the Republican Party and its effort to abolish slavery In Emancipation the Union Army and the Reelection of Abraham Lincoln Jonathan W White challenges this reigning paradigm in Civil War historiography arguing instead that the soldier vote in the presidential election of 1864 is not a reliable index of the army s ideological motivation or political sentiment Although 78 percent of the soldiers votes were cast for Lincoln White contends that this was not wholly due to a political or social conversion to the Republican Party Rather he argues historians have ignored mitigating factors such as voter turnout intimidation at the polls and how soldiers voted in nonpresidential elections in 1864 While recognizing that many soldiers changed their views on slavery and emancipation during the war White suggests that a considerable number still rejected the Republican platform and that many who voted for Lincoln disagreed with his views on slavery He likewise explains that many northerners considered a vote for the Democratic ticket as treasonous and an admission of defeat Using previously untapped court martial records from the National Archives as well as manuscript collections from across the country White convincingly revises many commonly held assumptions about the Civil War era and provides a deeper understanding of the Union Army
