The Official Catholic Directory Anno Domini 2001:

The Official Catholic Directory, Anno Domini 2001, Part II. ,2001 *The Official Catholic Directory for the Year of Our Lord ...* ,2003 From Abyssinian to Zion David W. Dunlap,2004 Published in conjunction with a New York Historical Society exhibition this photo filled pocket size guidebook by a New York Times senior writer covers 1 079 houses of worship in New York City **The Catholic Church in the Twenty-first Century** Daniel J. Harrington,Michael J. Himes,Catherine M. Mooney,Thomas O'Meara,2004 On May 31 2003 over five hundred people bishops an abbot monks priests lay women and men religious men and women and parish ministers gathered to hear an extraordinary panel of theologians explore the history of the Church This spirit filled exchange focused on the Church during specific time periods in order to discover what the Church in the twenty first century can learn from the Church of the past from back cover **The Official Catholic directory.2001** ,2001 **The Official Catholic Directory, Anno Domini 2002, Part II.** ,2002 *The Official Catholic Directory* Bowker Editorial Staff,R R Bowker Publishing,Bowker,1996-05 The Official Catholic Directory ,2017 Giving status of the Catholic Church as of January 1 2017 **Desegregating Dixie** Mark Newman,2018-10-04 Winner of the 2020 American Studies Network Book Prize from the European Association for American Studies Mark Newman draws on a vast range of archives and many interviews to uncover for the first time the complex response of African American and white Catholics across the South to desegregation In the late nineteenth and first half of the twentieth century the southern Catholic Church contributed to segregation by confining African Americans to the back of white churches and to black only schools and churches However in the twentieth century papal adoption and dissemination of the doctrine of the Mystical Body of Christ pressure from some black and white Catholics and secular change brought by the civil rights movement increasingly led the Church to address racial discrimination both inside and outside its walls Far from monolithic white Catholics in the South split between a moderate segregationist majority and minorities of hard line segregationists and progressive racial egalitarians While some bishops felt no discomfort with segregation prelates appointed from the late 1940s onward tended to be more supportive of religious and secular change Some bishops in the peripheral South began desegregation before or in anticipation of secular change while elsewhere especially in the Deep South they often tied changes in the Catholic churches to secular desegregation African American Catholics were diverse and more active in the civil rights movement than has often been assumed While some black Catholics challenged racism in the Church many were conflicted about the manner of Catholic desegregation generally imposed by closing valued black institutions Tracing its impact through the early 1990s Newman reveals how desegregation shook congregations but seldom brought about genuine integration *The Clergy Sexual Abuse Crisis* Paul R. Dokecki,2004-02-27 The story of sexual abuse of children by Catholic priests has sent shock waves around the nation and will not fade from consciousness or the news We ask How could this happen And then we ask How could the Catholic Church let this continue for so long in seeming silence and duplicity Paul R

Dokecki a community psychologist at Vanderbilt University an active Catholic and a former board member of the National Catholic Education Association investigates the crisis not only with the eye of an investigative reporter but with the analytical skills and training of a psychologist as well Moreover he lays the foundation for reasonable and practical reform measures Through the scandal in the Archdiocese of Boston as well as the earlier if less well known but momentous case in the Diocese of Nashville Dokecki reports on and analyzes what is ultimately an abuse of power not only by the clergy but by church officials As distasteful as these instances may be they are compelling reading enlightened by the author's abilities to contextualize these events through the lenses of professional ethics the human sciences and ecclesiology According to Dokecki these and other instances of clergy sexual abuse reveal a systemic deficiency in the structure and the nature of the church itself one that has prevented the church from adequately dealing with its own worst sins Dokecki may shine a spotlight into the church's dark corners but he does so in the service of enlightenment calling the church back toward the vision of Vatican II and the spirit of Pope John XXIII toward a greater transparency a more open and participatory governance in the church and for a greatly expanded role for the people of God who make up the church It is in this way Dokecki believes the church will be better able to keep the innocent children of the church safe from harm
