Do you use the wins from a country straight to get scudded on snakebite in a blind tiger? Do you ride the waves on puddle or death drop? Vice Slang gently eases you into the language of gambling, drugs and alcohol, providing you with 3 000 words to establish yourself firmly in the world of corruption and wickedness. All words are illustrated by a reference from a variety of sources to prove their existence in alleys and dives throughout the English speaking world. This entertaining book will give you hours of reading pleasure. The Routledge Dictionary of Modern American Slang and Unconventional English Tom Dalzell, 2018-05-11. The Routledge Dictionary of Modern American Slang offers the ultimate record of modern post WW2 American Slang. The 25 000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature, newspapers, magazines, movies, television, shows, musical lyrics and Internet user groups. Etymology, cultural context, country of origin and the date the word was first used are also provided. In terms of content, the cultural transformations since 1945 are astounding. Television, computers, drugs, music, unpopular wars, youth movements, changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language. This new edition includes over 500 new headwords collected with citations from the last five years, a period of immense change in the English language as well as revised existing entries with new dating and citations. No term is excluded on the grounds that it might be considered offensive as a racial, ethnic, religious, sexual or any kind of slur. This dictionary contains many entries and citations that will and should offend. Rich, scholarly and
