Copyright Office, 1966     **Television Western Players of the Fifties** Everett Aaker, 2024-10-15 Modeled after the Mack V Wright 1920 film version the 1949 western television series *The Lone Ranger* made Clayton Moore's masked character one of the most recognized in American popular culture Other westerns followed and by 1959 there were 32 being shown daily on prime time television Many of the stars of the nearly 75 westerns went on to become American icons and symbols of the Hollywood West This encyclopedia includes every actor and actress who had a regular role in a television western from 1949 through 1959 The entries cite biographical and family details accounts of how the player first broke into show business and details of roles played as well as opinions from the actors and their contemporaries A full accounting of film serial and television credits is also included The appendix lists 84 television westerns with dates show times themes and stars     *Appalachia*, 1920     The Road to Etheral Gary Wayne, 2019-03-29 The journey has been exciting challenging and fun All the things we have at home we are doing without in this world No phones computers cars or even fast food places and for some reason we really don't miss those things I guess when you step back in time your feet tend to take the path of those around you So if no one is using a phone you don't miss it If others are not eating greasy overcooked hamburgers you don't yearn for those either Well just a moment now that I am thinking about it maybe a good old greasy burger with tomatoes onions and cheese would taste pretty good with a large order of fries and fry sauce I bet when I get home one of the first things I will do is go to downtown Walla Walla and find a fast food joint We have traveled a reasonable distance and have found our time in this world is entirely different than our world What seems like weeks over here in this world are only a few hours back home The three of us and our pets all seem to be gaining more strength and power And we can't forget about Vanessa and her sisters as they are also increasing their strengths and capabilities I keep wondering why as Vanessa if her sisters and parents are from this world or are they We have done some amazing things in the time we have been in Impereality but I get the feeling we are in for more attention grabbing times and exciting activities in this world As we all climb into the back of our wagon we know we have a good week of travel ahead of us We don't know what's out there in front of us However we do know we are here for an extraordinary purpose and that is to fulfill a prophecy that is centuries old We have powers and strengths that can protect and help those in this world So as we travel to the southern region to look for what is unknown I hope you can imagine all the things we see and do I hope you enjoy the ride     **Explorer's Guide 50 Hikes in Orange County** Karin Klein, 2010-10-04 A hike for every interest and ability This brand new entry in the popular Explorer's 50 Hikes series covers the most interesting hiking trails in Orange County California providing diverse hikes in a variety of wilderness environments from a short walk along a concrete
