Kolmar,2015-01-28 Originally published in 1998 and covering a tradition ignored by most critics this bibliography assembles and documents a large body of supernatural fiction written by women in English from the end of the 18th century to the present These stories the work of women whose literary reputations personal histories and bodies of work vary widely challenge the narrow way in which supernatural literature has traditionally been regarded they indicate a much richer and more complex set of literary responses to the supernatural than has been hitherto acknowledged The writers included range from Ann Radcliffe and the Gothic novelists to Louisa May Alcott Charlotte Gilman and Edith Wharton to such modern writers as Elizabeth Bowen Jean Rhys Muriel Spark and A S Byatt The volume will be of interest to literary and cultural historians and of particular importance to women s studies scholars

Class, Culture and Suburban Anxieties in the Victorian Era Lara Baker Whelan,2011-12-20 This book demonstrates how representations of the Victorian suburb in mid to late nineteenth century British writing occasioned a literary sub genre unique to this period one that attempted to reassure readers that the suburb was a place where outsiders could be controlled and where middle class values could be enforced Whelan explores the dissonance created by the differences between the suburban ideal and suburban realities recognizing the persistence of that ideal in the face of abundant evidence that it was hardly ever realized She discusses evidence from primary and secondary sources about perceptions and realities of suburban living showing what it meant to live in a real Victorian suburb The book also demonstrates how the suburban ideal with its elements of privacy cleanliness rus in urbe and respectability in its relation to culturally embedded ideas about the Beautiful and Picturesque gained such a strong foothold in the Victorian middle class that contemplating its failure caused intense anxiety Whelan goes on to trace the ways in which this anxiety is represented in literature

Victorian Christmas in Print T. Moore,2009-07-20 Although people may not realize it the modern Christmas book market carries on a Victorian legacy An explosion of Christmas print matter reinvigorated and regularized the holiday during the mid Victorian period infusing Christmas with emotionally charged expectations of reading Tara Moore elucidates the evolution of Christmas publishing trends that dictated authors writing schedules and reflected gift giving rituals As Victorian shopping customs evolved publishers satisfied consumers with a range of holiday print matter including novels ghost stories periodicals children s books and poetry Ultimately Victorian Christmas in Print analyzes how the revitalized holiday and the flurry of texts supporting it contributed to English national identity

The Cambridge History of the Gothic: Volume 2, Gothic in the Nineteenth Century Catherine Spooner,2020-08-06 This second volume of The Cambridge History of the Gothic provides a rigorous account of the Gothic in British American and Continental European culture from the Romantic period through to the Victorian fin de si cle Here leading scholars in the fields of literature theatre architecture and the history of science and popular entertainment explore the Gothic in its numerous interdisciplinary forms and guises as well as across a range of different international contexts As

much a cultural history of the Gothic in this period as an account of the ways in which the Gothic mode has participated in the formative historical events of modernity the volume offers fresh perspectives on familiar themes while also drawing new critical attention to a range of hitherto overlooked concerns From Romanticism to Penny Bloods Dickens and even the railway system the volume provides a compelling and comprehensive study of nineteenth century Gothic culture *British Women's Writing from Brontë to Bloomsbury, Volume 3* Adrienne E. Gavin, Carolyn W. de la L. Oulton, 2024-07-27 This five volume series British Women's Writing From Brontë to Bloomsbury 1840 1940 historically contextualizes and traces developments in women's fiction from 1840 to 1940 Critically assessing both canonical and lesser known British women's writing decade by decade it redefines the landscape of women's authorship across a century of dynamic social and cultural change With each of its volumes devoted to two decades the series is wide in scope but historically sharply defined Volume 3 1880s and 1890s analyses confluences and developments in women's writing across two fin de siècle decades Its 16 original essays reconsider fiction by canonical and lesser known women writers redefining the landscape of female authorship during these decades By exploring women's fiction within the social and cultural contexts of the 1880s and 1890s the collection distills in terms of women's writing how these decades discretely build on earlier work that is identifiably Victorian The last two decades of the century in distinctive ways witnessed literary experiment reflection on the limits of realism and a fruitful sense of confusion about what was ending and what was about to begin **The Urban Fantastic in Nineteenth-Century European Literature** Patricia García, 2022-01-17 The Urban Fantastic in Nineteenth Century European Literature explores transnational perspectives of modern city life in Europe by engaging with the fantastic tropes and metaphors used by writers of short fiction Focusing on the literary city and literary representations of urban experience throughout the nineteenth century the works discussed incorporate supernatural occurrences in a European city and the supernatural of these stories stems from and belongs to the city The argument is structured around three primary themes Architectures Encounters and Rhythms make reference to three axes of city life material space human encounters and movement This thematic approach highlights cultural continuities and thus supports the use of the label of urban fantastic within and across the European traditions studied here **Great western railway mechanics' institution, New Swindon.
