Achtemeier, 1994-05-01 The heart of the Christian faith rests upon the confession Jesus is Lord yet faithful Christians sometimes overlook the fact that the Lordship of Jesus is firmly rooted in the promises and prophecies of the Old Testament Moreover knowing Jesus more fully entails knowing the story of God s salvation that was planned before the foundation of the world Modern readers tend to forget that the declaration before Abraham was I am underscores the continuity between the promise to Abraham and its fulfillment in Christ Acquiring a basic understanding of the relationship between the Old and New Testaments with respect to salvation s drama will enrich every reader s faith and appreciation for the Scriptures Modern readers tend to forget that the declaration before Abraham was I am underscores the continuity between the promise to Abraham and its fulfillment in Christ Acquiring a basic understanding of the relationship between the Old and New Testaments with respect to salvation s drama will enrich every reader s faith and appreciation for the Scriptures      The Old Testament Roots of Our Faith - Primary Source Edition Paul And Elizabeth Achtemeier, 2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book      The Old Testament roots of our faith Paul ; Achtemeier Achtemeier (Elizabeth), 1962      Reclaiming the Old Testament Gordon Zerbe, 2018-07-10 This festschrift honors one of the most important Old Testament scholars in the modern Mennonite

tradition and the essays produced by colleagues and former students reflect Janzen's influence and productivity as both a scholar and a teacher Daniel L Smith Christopher Loyola Marymount University      The Old Testament and Christian Spirituality Christo Lombaard, 2012-05-27 An engaging anthology that deals with both theory and practice The emerging discipline of biblical spirituality considers how faith finds expression within the biblical texts and how modern expressions of faith interact with those texts This volume represents Christo Lombaard's reflective analytical and exegetical contributions to the field in order to explore how biblical texts mediate faith both ancient and contemporary It reflects on aspects of the interaction of faith and Scripture critically approaching both dimensions Features Seven previously published papers drawn predominately from South African journals Explorations of how biblical texts mediate faith Close examination of the discipline of biblical spirituality as part of spirituality studies      *Finding Jesus in the Old Testament* David Limbaugh, 2015-11-09 A New York Times Bestseller In *Finding Jesus in the Old Testament* David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty nine Old Testament books The key to the secrets of the Old Testament Limbaugh argues is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus With that key and with Limbaugh as a deft guide readers of *Finding Jesus in the Old Testament* will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival Limbaugh takes readers on a revealing journey from Genesis through Malachi demonstrating that a consistent message courses through every one of the Old Testament's thirty nine books the power wonder and everlasting love of Jesus Christ Previously published under the title *The Emmaus Code*      *Telling the Old Testament Story* Dr. Brad E. Kelle, 2017-10-17 While honoring the historical context and literary diversity of the Old Testament *Telling the Old Testament Story* is a thematic reading that construes the OT as a complex but coherent narrative Unlike standard introductory textbooks that only cover basic background and interpretive issues for each Old Testament book this introduction combines a thematic approach with careful exegetical attention to representative biblical texts ultimately telling the macro level story while drawing out the multiple nuances present within different texts and traditions The book works from the Protestant canonical arrangement of the Old Testament which understands the story of the Old Testament as the story of God and God's relationship with all creation in love and redemption a story that joins the New Testament to the Old Within this broader story the Old Testament presents the specific story of God and God's relationship with Israel as the people called created and formed to be God's covenant partner and instrument within creation The Old Testament begins by introducing God's mission in Genesis The story opens with the portrait of God's good intended creation of right relationships Gen 1-2 and the subsequent distortion of that good creation as a result of humanity's rebellion Gen 3:11 Genesis 12 and following introduce God's commitment to restore creation back to the right relationships and divine intentions with which it began Coming out of God's new covenant engagement with creation in Gen 9 this divine purpose begins with the calling of a people who turn out

to be the manifold descendants of Abraham and Sarah to be God's instrument of blessing for all creation and thus to reverse the curse brought on by sin. The diverse traditions that comprise the remainder of the Pentateuch then combine to portray the creation and formation of Israel as a people prepared to be God's instrument of restoration and blessing. As the subsequent Old Testament books portray Israel's life in the land and journey into and out of exile, the reader encounters complex perspectives on Israel's attempts to understand who God is, who they are as God's people, and how therefore they ought to live out their identity as God's people within God's mission in the world. The final prophetic books that conclude the Protestant Old Testament ultimately give the story of God's mission and people an open-ended quality, suggesting that God's mission for God's people continues, and leading Christian readers to consider the New Testament's story of the Church as an extension and expansion of the broader story of God introduced in the Old Testament. The main methodological perspective that informs the book includes work on the phenomenological function of narrative, especially story's function to shape the identity and practice of the reader, as well as more recent so-called missional approaches to reading Christian scripture. Canonical criticism provides the primary means for relating the distinctive voices within the Old Testament texts that still honor the particularity and diversity of the discrete compositions. Accessibly written, this book invites readers to enter imaginatively into the biblical story and find the Old Testament's lively and enduring implications.

*The Christian and the Old Testament* Walter C. Kaiser Jr., 2019-04-24 Is the Old Testament relevant for today? Yes! Discover the unifying theme of the Old and New Testaments and of history in God's promise plan first given to Abraham in Genesis 12. Cross-cultural workers and students of the Bible will discover valuable insights and new zeal for searching and communicating the Scriptures in this very readable book based on years of massive scholarship.

The Tradition of the Elders T. Hoogsteen, 2014-09-16 The Tradition of the Elders based on Matt 15:1-20 and Mark 7:1-23 explores how the oral law upheld and promoted the anti-Christian forces of Pharisaism and Sadduceism As such they appear repeatedly in the New Testament documents often as the law and the works of the law For example consider When Gentiles who have not the law do by nature what the law requires they are a law to themselves even though they do not have the law

Rom 2 14 We ourselves who are Jews by birth and not Gentile sinners yet who know that a man is not justified by works of the law but through faith in Christ Jesus even we have believed in Christ Jesus in order to be justified by faith in Christ and not by works of the law because by works of the law shall no one be justified Gal 2 15 16 Tell me you who desire to be under law do you not hear the law Gal 4 21 But which law do these legal references concern the Torah the oral law or the Decalogue This important distinction between the oral law and the Ten Commandments is what The Tradition of the Elders sets out to make clear All New Testament exegetes including teachers and students can benefit from an increased understanding of the enmity of the oral law against the Gospel
