The Other Side of Paradise Laurie Paige, 2013-12-15 A Family Forgotten What self proclaimed loner and rootless orphan Mary McHale couldn't anticipate when she arrived at Towbridge Ranch for the winter were the feelings her new surroundings stirred deep within her a mysterious dj vu unlike anything the relentlessly independent wrangler had ever experienced Jonah Lanigan couldn't drive the haunting blue eyes of his new employee from his mind or dismiss the notion that they were an eerie reflection of others he'd seen before Could he help Mary piece together her fragmented past and in the process become part of her future

We conclude the Rainbow's Shadow trilogy with a journey into the Other Side of Paradise Faced with the ultimate decision Will has to choose between true paradise or chasing a madman into the other side The decision is easy His brother's soul and the ability to eliminate evil is motivation enough to forego experiencing paradise Only one destination is at hand He has to enter the belly of the beast and he knows it Accompanied by his buddy Jimmy Foster Will sets out on a journey unlike anything they have witnessed Not only have they agreed to travel through the ten spheres of the other side they have also committed to eliminate Malkuth once and for all A total eclipse of the sun symbolizes Malkuth's ascension as Will's ultimate purpose emerges He has to rise to the challenges which confront him Malkuth doesn't go easy as he assembles armies beyond expectations It takes faith and a unique visit to Writers Block to energize Will and his forces as they endeavor to cleanse the book of souls for all mankind The quest to eliminate evil drives him But it's his perseverance and the forerunner's legacy which elevate him into iconic leadership

The Other Side of the Sea Louis-Philippe Dalember,2014-11-11 The Other Side of the Sea the first novel by this major Haitian author to be translated into English is riveted on the other shore whether it is the ancestral Africa that still haunts Haitians the America to which so many have emigrated or even that final shore the uncertain afterlife awaiting us all With a grandmother and her grandson sharing the narration this rich and concise tale covers an impressive span of Haitian history and emotion Too old to leave her veranda Noub t reflects on her past touching on the 1937 Parsley Massacre in which thousands of Haitians died at the hands of Dominican soldiers and laments the exodus of so many young people from Haiti although ironically she dreamed of making the trip herself her name means New Boat in Creole Her story is juxtaposed with that of her grandson Jonas as he suffers the abandonment of friends including his lover who emigrated during the Duvalier dictatorships even feeling an urge to join them Perhaps most striking is the addition of a third voice that of an anonymous passenger in steerage recounting a slave ship s progress to the New World from Africa This voice from long ago provides a powerful depiction of the sights sounds and smells of the Middle Passage and a fascinating counterpoint to the evocations of modern Haiti CARAF Books Caribbean and African Literature Translated from French

Into the Light, to the Other Side of Tomorrow Kenneth Arner,2011-02-25 *The Other Side of the River* Charles Wright,1984 *The Other Side of Power* Claude M. Steiner,2020-04-14 The psychotherapist and author of *Scripts People Live* shows readers how to use their personal strengths to achieve what they want Claude M Steiner 1935 2017 was a bestselling author and psychotherapist who pioneered the popular field of Transactional Analysis which involves analysis of an individual s social interactions as a basis for understanding behavior First published in 1981 and now back in print *The Other Side of Power* is the sequel to Dr Steiner s influential *Scripts People Live* and feels as relevant today as ever *Power* we all want it we all need it We feel its effects in our business family and personal relationships In this accessible volume Dr Steiner shows how everyone can be powerful without being power hungry Instead of chasing the increasingly empty and improbably conventional American power dream as Dr Steiner puts it the other side of power our own personal strengths can be used to get us what we want This humane approach is not predicated upon the exploitation or manipulation of others which leads to power for the few and not the many In clear terms and with specific examples the author shows how to draw instead upon individual strengths to neutralize and turn to advantage situations that could otherwise result in feeling of powerlessness *The Other Side of Power* teaches us

that once we understand the nature of power we can learn to deal with it more comfortably and use it toward more rewarding personal and professional relationships Dr Steiner s classic in psychological theory offers a meaningful and practical guide to harnessing the other side of power
