Tastefully Five:

Tasteful Nudes Dave Hill, 2012-05-22 Call it potty humor light David Sedaris minus the cynicism but plus an obsession with bodily functions an engaging read The New York Observer Hi My name is Dave and this is my very first collection of essays As you can probably imagine it pretty much has everything In fact if you like stories about stolen meat animal attacks young love death naked people clergymen rock n roll irritable Canadians and prison you have just hit a street called Easy because my book talks about all that stuff and a bunch of other stuff too It will make you laugh cry and maybe even think so much that you will forget all your problems while simultaneously creating a few new ones In limited instances it has been known to cause severe dehydration and the occasional groin pull but honestly I don't know what that's about That said it's probably not a bad idea to keep a glass of water handy and really stretch things out before strapping yourself in for a literary thrill ride you will want to experience again and again until you are either dead or your eyesight fails completely whichever comes first In fact if I end up being wrong about any of this stuff you can kick me right in the privates Also I will send you a nice ham serves twenty In short you really can't lose on this one Your man Dave Hill I had to go and reread certain parts again because I wanted to make sure it wasn't the sun tequila that was making me laugh so hard The Atlantic
