Tasting And Smelling:

Tasting and Smelling Katie Dicker, 2011-03-01 Tasting and Smelling encourages children to think about how they use their sense of taste and smell Readers are introduced To The tastes and smells that we encounter in everyday life They are also asked to think about how they use their sense of smell to keep safe Sparklers is an exciting and substantial series of information books for pre school children that covers all key topic areas of the early years curriculum The books are designed to support and extend the learning of children aged 3 to 5

Tasting and Smelling Nigel Snell, 1983-01-01 Tasting and Smelling Gary K. Beauchamp, Linda Bartoshuk, 1997-09-05 Tasting and Smelling presents a comprehensive overview to research on these two important modes of perception The book offers a review of research findings on the biophysics neurophysiology and psychophysics of both senses as well as discussing the emotional component associated with taste and smell and clinical disorders affecting each of these two senses Tasting and Smelling answers how odors and flavors are perceived why we have favorites and what happens when our senses go awry This book is of interest to the researcher in perception cognition or neurophysiology

Sensing the Past Mark Michael Smith, 2007 Smith s history of the sense is destined to precipitate a revolution in our understanding of the sensibilities that underpinned the mentalities of past epochs David Howes author of *Sensual Relations Engaging the Senses in Culture and Social Theory* Mark M Smith presents a far ranging essay on the history of the senses that serves simultaneously as a good introduction to the historiography If one feels in danger of sensory overload from this growing body of scholarship Smith s piece is a useful preventive Leigh E Schmidt author of *Restless Souls The Making of American Spirituality* This is a masterful overview The history of the senses has been a frontier field for a while now Mark Smith draws together what we know with an impressive sensory range and encourages further work A really exciting survey Peter N Stearns author of *American Fear The Causes and Consequences of High Anxiety* Who would ever have guessed that a book on the history of the senses seeing hearing touching tasting and smelling could be informative thought provoking and at the same time most entertaining Ranging in both time and locale Mark Smith s *Sensing the Past* makes even the philosophy about the senses from ancient times to now both learned and exciting This work will draw scholars into under recognized subjects and lay readers into a world we simply but unwisely take for granted Bertram Wyatt Brown author of *Southern Honor Ethics and Behavior in the Old South* Mark M Smith has a good record of communicating his research to a broad constituency within and beyond the academy This will be required reading for anyone addressing sensory history Penelope Gouk author of *Music Science and Natural Magic in Seventeenth Century England* This is a fine cultural history of the body which takes Western and Eastern traditions and their texts quite seriously Smith views a history of the senses not only from below but places it squarely in the historical imagination It will be of interest to a wide range of readers Sander L Gilman author of *Difference and Pathology*
