Clements,Ruud A. de Mooij,Mr.Sanjeev Gupta,Mr.Michael Keen,2015-09-21 The sizeable increase in income inequality experienced in advanced economies and many parts of the world since the 1990s and the severe consequences of the global economic and financial crisis have brought distributional issues to the top of the policy agenda The challenge for many governments is to address concerns over rising inequality while simultaneously promoting economic efficiency and more robust economic growth The book delves into this discussion by analyzing fiscal policy and its link with inequality Fiscal policy is the government s most powerful tool for addressing inequality It affects households consumption directly through taxes and transfers and indirectly via incentives for work and production and the provision of public goods and individual services such as education and health An important message of the book is that growth and equity are not necessarily at odds with the appropriate mix of policy instruments and careful policy design countries can in many cases achieve better distributional outcomes and improve economic efficiency Country studies on the Netherlands China India Republic of Congo and Brazil demonstrate the diversity of challenges across countries and their differing capacity to use fiscal policy for redistribution The analysis presented in the book builds on and extends work done at the IMF and also includes contributions from leading academics      *Index to Legal Periodicals & Books* ,2005      *Sociology of Development (PB)* Gurmukh Ram Madan,2002      **Government Finance Statistics Yearbook 2015** International Monetary Fund. so called arranged marriage still seems to be working well with the club having become a formal international forum with summit declarations ministerial meetings and numerous BRICS wide fora Is this euphoria misplaced Is there a BRICS model of economic and human development Are inequalities increasing and is this the denouncement of the economic successes The Handbook of BRICS and Emerging Economies presents a comprehensive and multi faceted analysis of the BRICS countries and other emerging economies exploring their economic social environmental and governance dimensions and other challenges It brings together multi disciplinary perspectives from more than fifty authors to examine how education contributed to the emergence of BRICS how BRICS are impacting African economies and how other emerging economies including Chile Mexico Turkey and others in Africa and Central Asia compare It observes the impact of governance challenges both within individual countries and in the forum for co operation amongst them what issues related to gender and identity based violence are prevalent and what the security implications are and the role of BRICS is in contributing to peace keeping operations **BNA Pension & Benefits Reporter** ,2003 IMF, World Bank & ADB Agenda Nihal Sri Ameresekere,2011-04-27 Colombo Port Bunkering Privatisation under IMF World Bank and ADB privatization agenda discloses a scandalous privatization annulled as illegal and fraudulent by a 3 Judge Supreme Court Bench of Sri Lanka presided by Chief Justice Sarath N Silva compelling Secretary Finance Ministry Secretary Treasury P B Jayasundera to resign It involved John Keells Holdings Ltd an UN Global Compact Co committed to combat fraud and corruption It is an eye opener on socio political realities of those holding selected and elected influential and powerful public office including Secretary Finance Ministry P B Jayasundera compromising national and public interest with scant regard for the rule of law and hollow dictates by international agencies on governance transparency and level playing field President Chandrika Bandaranaike Kumaratunga in a Memorandum to Cabinet Ministers opposed this privatization Prime Minister Ranil Wickremesinghe disregarding the President had pushed the deal with his Advisor former Secretary Ministry of Finance R Paskaralingam approved by Economic Sub Committee of Cabinet including Finance Minister K N Choksy PC It reveals condoning of fraud and corruption by confidantes of those at helm in a country with governments and society uninhibitedly bestowing upon corrupt miscreants even more recognition and position without arraigning them as warranted before the law President Mahinda Rajapakse re appoints P B Jayasundera Secretary Finance Ministry Secretary Treasury Susantha Ratnayake continues as Chairman John Keells and helms Ceylon Chamber of Commerce appointed Chairman Sri Lanka Tea Board by Government New Chief Justice J A N de Silva and other Supreme Court Judges act to accommodate necessity of President Mahinda Rajapakse when P B Jayasundera is permitted to be re appointed to same powerful position A sole woman Justice Shiranee Tilakawardena courageously dissents upholding principles of moral turpitude and democracy to keep organs of State within the law anyone would balk at such re appointment 2 pages of Judgment suppressed from media Land Rights and Expropriation in Ethiopia Daniel W. Ambaye,2015-02-13 This thesis provides a new approach to the Ethiopian Land Law

debate The basic argument made in this thesis is that even if the Ethiopian Constitution provides and guarantees common ownership of land together with the state to the people this right has not been fully realized whether in terms of land accessibility enjoyability and payment of fair compensation in the event of expropriation Expropriation is an inherent power of the state to acquire land for public purpose activities It is an important development tool in a country such as Ethiopia where expropriation remains the only method to acquire land Furthermore the two preconditions of payment of fair compensation and existence of public purpose justifications are not strictly followed in Ethiopia The state remains the sole beneficiary of the process by capturing the full profit of land value while paying inadequate compensation to those who cede their land by expropriation Secondly the broader public purpose power of the state in expropriating the land for unlimited activities puts the property owners under imminent risk of expropriation United States code annotated ,2003
