Metis Pioneers Doris Jeanne MacKinnon, 2018-03-15 In *Metis Pioneers* Doris Jeanne MacKinnon compares the survival strategies of two Metis women born during the fur trade one from the French speaking free trade tradition and one from the English speaking Hudson's Bay Company tradition who settled in southern Alberta as the Canadian West transitioned to a sedentary agricultural and industrial economy. MacKinnon provides rare insight into their lives demonstrating the contributions Metis women made to the building of the Prairie West. This is a compelling tale of two women's acts of quiet resistance in the final days of the British Empire

The Identities of Marie Rose Delorme Smith Doris Jeanne MacKinnon, 2012 This book relates the history and self-identifying process of a Metis woman who lived on the western plains of Canada during the transitional period from fur trade to sedentary agricultural economy. Marie Rose Delorme Smith was a woman of French Metis ancestry who was born during the fur trade era and who spent her adult years as a pioneer rancher in the Pincher Creek district of southern Alberta. Sold by her mother at the age of sixteen to a robe and whiskey trader several years older than her Marie Rose went on to raise seventeen children establish a boarding house take a homestead serve as medicine woman and midwife and to publish several articles in the early prairie ranch periodical *Canadian Cattlemen*. The author relies on close readings of these articles as well as the diaries manuscripts and fictional writing of Marie Rose Delorme Smith along with personal interviews with her descendants. These sources allow a close examination of the self-identifying process for Marie Rose as she negotiated the changing environment of the western plains during the late 1800s and early 1900s when large numbers of Anglo speaking immigrants settled in the area. Clearly proud of her Metis identity Marie Rose was a member of an extended family who served as Louis Riel's soldiers and she

presented that identity tentatively in her own writings Roles which Marie Rose assumed with pride were those of author historian mother and historical character and these roles serve as themes from which to examine her life
