**John Holt, Pat Farenga**

## **Teach Your Child Paperback:**

Teach Your Own John Holt, Pat Farenga, 2009-03-04 The classic and indispensable work on teaching children at home fully updated for today's new laws, new lifestyles and the growing new generation of homeschooling parents. Today more than one and a half million children are being taught at home by their own parents. In this expanded edition of the book that helped launch the whole movement, Pat Farenga has distilled John Holt's timeless understanding of the ways children come to understand the world and added up to the moment legal, financial and logistical advice. No parent even considering homeschooling should be without this wise and unique reference. Rather than proposing that parents turn their homes into miniature schools, Holt and Farenga demonstrate how ordinary parents can help children grow as social active learners. Chapters on living with children, serious play, children and work and learning difficulties will fascinate and encourage parents and help them enjoy each homeschool day. John Holt's warm understanding of children and his passionate belief in every child's ability to learn have made this book the bible of homeschooling families everywhere. *The Book You Read to Teach Your Children* Katie Tollitt, 2020-05-25 Really useful, positive and reassuring. Just what parents need right now. Lizzie Loves Healthy. Are you worried your child has fallen behind while schools have been closed? Do you want to support your child's learning at home but worry that everyone just ends up stressed and switches off? Could this be doing more harm than good? It's time to let primary school teacher and education influencer Katie Tollitt take the sting out of home learning. Covering eight key principles for how to approach learning in a way that maximises fun and minimises stress, this short accessible book emphasises the need for flexibility, conversation and openness. It will help you ask the right questions and understand how your attitude towards learning impacts your children. Full of practical tips, suggestions and judgment-free advice, it's the closest thing to having a teacher with you at home. **The Safe Child Book** Sherryll Kraizer, 2012-05-08 It's the most urgent and highly publicized issue facing America's family: how to teach our children to protect themselves in any situation. Based on the author's successful education workshop which has been in operation since 1969 and has educated more than 50,000 parents and children nationwide, *The Safe Child Book* gives parents effective and nonthreatening techniques for teaching children how to protect themselves without making them afraid. Written by one of the few nationally recognized authorities on the subject, *The Safe Child Book* provides a comprehensive educational program covering a wide range of topics that concern parents today, including sexual abuse, abduction, leaving children alone, surfing the Internet, school safety and choosing a daycare center or babysitter. **Teach Me How To Teach My Child** Joyce Burges, 2019-09-19 Are you interested in your child? Is the education of your child a top priority? Do you know what your child knows? One more can the mind of your child be saved? These questions should stir the minds of parents. My parents used to speak about a good education. There were few things more important. I have always had a sense of learning and enjoyed going to school, but today it is different. I believe that there is a hunger for learning among our children, our national treasures. Children have a love for

learning and it doesn't just go away easily. It must be ripped from them. They have been badly labeled, their confidence bruised and their image marred. It is evident that this problem is not just going to go away; something must be done. I have written this book for the family who wants a better way. It is my desire that each person would follow the road to enlightenment and firmly plant their feet on that path set before them. As you are set free of this entrapment, I hope that you find your wings and are lifted above this world. Joyce Burges

**The ABC of Child Care Paperback Edition** Ronald J Parker, 2014-04-26 The author of this book has spent over thirty years working with children of all ages in a variety of settings including boarding schools and children's homes. He does not hold a degree in psychology or have letters after his name. He gained all his paper qualifications while he was doing the job. For those who think paper qualifications are required, the author does hold a certificate of qualification in social work but does not draw on this for the purposes of this book. The qualification he does have to write this book is experience. He has worked with difficult, maladjusted, those with learning difficulties as well as so-called normal children. In this book, he attempts to pass on that experience to parents in a clear and straightforward manner without the jargon of psychology.

My Paperback Book Darlyn Robinson, 2017-04-05 This book is about loving yourself first so you can have healthy loving relationships. Walk in your truth and get to know who you were born to be. We're birthed with a dream. As we grow, our dream sometimes gets lost in the stresses of life. Change starts in your heart. Surround yourself with people who only want the best for you. Take your time; change does not happen overnight. My dream is for everyone to love themselves enough to follow their dreams. Be the best version of yourself.

Teach Your Child How To Think Edward de Bono, 2017-09-07 An inspiring man with brilliant ideas. De Bono never ceases to amaze with his clarity of thought. Richard Branson Give your child the edge. Georges Philips Amazon review How do you raise children who think for themselves? Edward de Bono, one of the world's leading authorities on creative thinking, shows how parents can raise happy, confident and self-assured children through his simple tips, tricks and exercises that you can do with your child. This book will help your child use positive reinforcement effectively, unleash their creativity, make the best life choices, plan well for the future. Confidence is one of the greatest gifts a parent can give their child, and through this book, you will learn how to give them the best start in life.

**Pea in a Pod** Linda Goldberg, 2020-09-04 OVER 1 MILLION COPIES SOLD Pregnancy and childbirth are not what they used to be. Back in the good ol' days, mothers-to-be visited their obstetricians once a month, did exactly what they were told, and gave birth while heavily sedated or anesthetized. Their partners paced nervously in the waiting room, barred from the inner sanctum of the labor and delivery rooms. Although some expectant parents still stand on the sidelines, more choose to be active players. If you want to be a participant rather than a spectator in the birth of your baby, *Pea in a Pod* Third Edition is your playbook. Up to date and complete, *Pea in a Pod* is a one-stop shopping guide that provides a wealth of pertinent, accurate information for expectant parents. With topics that begin with fertilization and continue through pregnancy, childbirth, and baby's first year, this comprehensive work could easily be called *Absolutely Everything You*

Need to Know About Pregnancy Birth Breastfeeding and the Newborn After presenting a general overview of available birthing options and caregiver choices the book offers a detailed description of conception and fetal development along with the physical and emotional changes to expect during pregnancy It provides important nutritional guidelines exercise plans for the mother to be new mother and cesarean mother information on prenatal tests and procedures and a wealth of hints for the father to be labor partner and new father Also included is a variety of effective relaxation techniques and breathing methods to help manage the work of labor And since every labor is different and may not necessarily go by the book labor variations are discussed along with the most common interventions and medications The final chapters focus on the basics of infant care detailing such topics as breastfeeding childhood immunizations and infant massage Clear step by step instructions for handling emergencies such as choking are presented as well as directions for performing infant CPR The birth of a baby is one of the most significant events in a parent's lifetime Whether this is your first birth or your first prepared birth *Pea in a Pod* will help make the journey from pregnancy to parenthood both memorable and rewarding *Family Driven Faith (Paperback Edition with Study Questions)* Voddie Baucham Jr., 2011-04-04 More teens are turning away from the faith than ever before it is estimated that 75 to 88 percent of Christian teens walk away from Christianity by the end of their freshman year of college Something must be done *Family Driven Faith* equips Christian parents with the tools they need to raise children biblically in a post Christian anti family society Voddie Baucham who with his wife has overcome a multi generational legacy of broken and dysfunctional homes shows that God has not left us alone in raising godly children In his Word he has given us timeless precepts and principles for multi generational faithfulness Baucham's celebrated guide for godly healthy families is now available in paperback with study questions added Parents will find this a critical resource for the spiritual nourishment and protection of the next generation *Paperback Quarterly (Vol. 1 No. 1) Spring 1978* Charlotte Laughlin, Billy C.
