Lord Teach Me to Pray Sarah L. Mack, R.N. LCC. Ed. D, 2014-03-05 Living in the 21st century learning to pray praying and remaining prayerful are not luxuries for the elite but a survival measure in today's society For this reason young people must be challenged to learn the importance and the necessity of prayer and spiritual readings However it has been noted and reported by many church leaders that children and youth are reluctant to pray in public are not always receptive to prayers nor do they clearly understand the components of prayers Learning to pray and the definition of prayers are not always comprehended as means of communicating or talking to God The Bible teaches that in order to pray sincerely spiritually and effectively one must know God for him or herself through the Trinity of the Father Son and Holy Spirit In addition knowing the functions personalities and clearly understanding the function of the Trinity is necessary The Christian Education Curriculum is utilized as an excellent modality for teaching children and youth the significance of prayers and other parts of the Bible This religious component encompasses all ministries in the church and is responsible for teaching modeling monitoring and correcting non acceptable Christians behaviors and lifestyles from birth to death
