Book cover Sacra Pagina: The Gospel of Luke Luke Timothy Johnson, 2018-10-15 What makes this commentary on Luke stand apart from others is that from beginning to end this is a literary analysis Because it focuses solely on the gospel as it appears and not on its source or origin this commentary richly and thoroughly explores just what Luke is saying and how he says it *Discovering Luke* Joel B. Green, 2021-09-16 This interpretation of Luke encourages in depth study of the text and genuine grappling with the theological and sociohistorical questions it raises It draws on a range of methodological interests author text and reader centered as complementary rather than mutually exclusive ways of understanding the text It also recognizes the importance of the reception history of biblical texts increasingly viewed as a vital aspect of interpretation rather than an optional extra Throughout *Discovering Luke* Joel Green gives readers strategies for reading the Gospel of Luke and guides them through Luke's world in its historical ideological political and economic contexts Green reviews key issues raised by the Gospel and connects these issues to questions of how Luke should be interpreted today The Gospel of Luke Judith M. Lieu, 2012-08-21 This commentary explores how Luke was retelling the story of Jesus in the light of the challenges faced by the early church as it spread through the Roman Empire and shows how the gospel can be preached today both in faithfulness to the past and as a response to contemporary questions *Luke* Justo L. González, 2010-01-01 Historian and theologian Justo González presents the beloved Gospel of Luke who heralds Jesus' birth as good news of great joy for all the people Luke 2:10 González guides us and challenges us to ask What is the meaning of this text for us today The result is an engaging and important theological discussion of Luke's Gospel and its relation to the life and proclamation of the church and its members **New Light on Luke** Barbara Shellard, 2002-01-01 This radical new interpretation reveals many connections between Luke and Johannine traditions Comparison of pericopae shared by Luke and John suggests that the usual assumptions of Lukan priority may be mistaken instead his may be chronologically the fourth gospel Luke nevertheless treats his sources in different ways his response being both critical and creative He aims to give security to Christians by including as much as possible and reconciling conflicting traditions while firmly excluding heretical misinterpretation Shellard also includes a consideration of Luke's use of possible sources both canonical and extra canonical and places Luke Acts in its literary context noting among other things the presentation of Rome as a facilitator of evangelization and a promoter of co-existence The Gospel of Luke Dr. Brian J. Bailey, 2017-08-02 Luke the doctor wrote one of the most detailed and vivid accounts of the life of Christ Dr Bailey's commentary on Luke is presented that you might come to know the Son of man in a more intimate way and that you will come to appreciate the life of devotion of this most beloved of all medical doctors The Theology of the Gospel of Luke Joel B. Green, 1995-04-20 The Gospel of Luke often mined for information about the life of Jesus is also one of the earliest Christian examples of narrative theology Unlike some writers of New Testament books Luke has engaged in the theological task by shaping a narrative representation of the

coming and mission of Jesus In doing so he goes to great lengths to ground the work of Jesus in the continuing story of God's redemptive plan especially witnessed in the Scriptures and he also emphasises the ongoing character of that story with the result that Luke's audience is challenged to discern the purpose of God in order that they may embrace it and order their lives around it This exploration of the way in which Luke accomplishes his theological task in the first century is both informative and illuminating for contemporary readers seeking approaches to cultural criticism and constructive theology today

The Testimony of Luke: 1907 Biblical study notes on the Gospel of Luke George N. H. Peters, 2020-07-10 Once described as the most exhaustive treatise on the Kingdom of God ever written the late Rev George N H Peters the author of *The Theocratic Kingdom* left many unpublished personal bible studies These recently discovered handwritten documents are now being meticulously transcribed and prepared for publication What makes these

100 year old studies unique is the straightforward grammatical viewpoint taken by Rev Peters towards interpretation that the language of the Bible does not require spiritualization or mysticism to be understood that such unjustified additions actually confuse and mislead the reader The application of these practical Rules of Interpretation as seen in the recently published Testimony of Jesus and Testimony of John gives the Gospel of Luke a clear fresh new voice given from the viewpoint of an contemporary Man who was neither an Apostle or Disciple of the Lord during his earthly ministry The Rev Peters clearly exposes the simple interconnected design of the book a testimony to the true identity of Jesus as the covenanted and predicted Messiah The Study focuses ONLY on the unique accounts of Luke not contained in the other three Gospels Every instance in each chapter of Luke s testimony confronts the reader with this most important distinction By the end of Luke s testimony the evidence is so overwhelming the distinctions so clear that only one realization remains the reason Luke wrote the book in the first place that All of the past present future Biblical prophecies are to be fulfilled in the person of this Messiah ONLY the Messiah has the God given authority and supernatural power to succeed in these appointed tasks and most importantly that Jesus and the Messiah are one and the same person In the plainest manner possible then Luke spreads within the grasp of the reader the heart and soul of the Bible the past and future hopes of mankind in this one simple truth Luke like Jesus would ask Believest thou this
