Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

The Vanishing of Carolyn Wells Rebecca Rego Barry,2024-02-13 The Vanishing of Carolyn Wells is the first biography of one of the lost ladies of detective fiction who wrote more than eighty mysteries and hundreds of other works between the 1890s and the 1940s Carolyn Wells 1862 1942 excelled at writing country house and locked room mysteries for a decade before Agatha Christie entered the scene In the 1920s when she was churning out three or more books annually she was dubbed about the biggest thing in mystery novels in the US On top of that Wells wielded her pen in just about every literary genre producing several immensely popular children s books and young adult novels beloved anthologies and countless stories prose and poetry for magazines such as Thrilling Detective Life The Saturday Evening Post Harper s and The New Yorker All told Wells wrote over 180 books Some were adapted into silent films and some became bestsellers Yet a hundred years later she has been all but erased from literary history Why How This investigation takes us on a journey to Rahway New Jersey where Wells was born and is buried to New York City s Upper West Side where she spent her final twenty five years to the Library of Congress where Carolyn s world class collection of rare books now resides and to many other public and private collections where exciting discoveries unfolded Part biography and part sleuthing narrative The Vanishing of Carolyn Wells recovers the life and work of a brilliant writer who was considered one of the funniest most talented women of her time

Reading Lists American Library Association,1926 *Dictionary Catalogue ...* Illinois State Library,1912 **Encyclopedia of American Humorists** Steven H. Gale,2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best

humor has at its base a ready understanding of human nature The Barnwell Bulletin ,1928 **The Columbia Granger's Dictionary of Poetry Quotations** Edith P. Hazen,1992 Why do smokers claim that the first cigarette of the day is the best What is the biological basis behind some heavy drinkers belief that the hair of the dog method alleviates the effects of a hangover Why does marijuana seem to affect ones problem solving capacity Intoxicating Minds is in the author s words a grand excavation of drug myth Neither extolling nor condemning drug use it is a story of scientific and artistic achievement war and greed empires and religions and lessons for the future Ciaran Regan looks at each class of drugs describing the historical evolution of their use explaining how they work within the brain s neurophysiology and outlining the basic pharmacology of those substances From a consideration of the effect of stimulants such as caffeine and nicotine and the reasons and consequences of their sudden popularity in the seventeenth century the book moves to a discussion of more modern stimulants such as cocaine and ecstasy In addition Regan explains how we process memory the nature of thought disorders and therapies for treating depression and schizophrenia Regan then considers psychedelic drugs and their perceived mystical properties and traces the history of placebos to ancient civilizations Finally Intoxicating Minds considers the physical consequences of our co evolution with drugs how they have altered our very being and offers a glimpse of the brave new world of drug therapies Dictionary Catalogue of the Illinois State Library Illinois State Library,1912

Bookman's Manual Bessie Graham,1928 **Children's Literature** Seth Lerer,2009-04-01 Ever since children have learned to read there has been children s literature Children s Literature charts the makings of the Western literary imagination from Aesop s fables to Mother Goose from Alice s Adventures in Wonderland to Peter Pan from Where the Wild Things Are to Harry Potter The only single volume work to capture the rich and diverse history of children s literature in its full panorama this extraordinary book reveals why J R R Tolkien Dr Seuss Laura Ingalls Wilder Beatrix Potter and many others despite their divergent styles and subject matter have all resonated with generations of readers Children s Literature is an exhilarating quest across centuries continents and genres to discover how and why we first fall in love with the written word Lerer has accomplished something magical Unlike the many handbooks to children s literature that synopsise evaluate or otherwise guide adults in the selection of materials for children this work presents a true critical history of the genre Scholarly erudite and all but exhaustive it is also entertaining and accessible Lerer takes his subject seriously without making it dull Library Journal starred review Lerer s history reminds us of the wealth of literature written during the past 2 600 years With his vast and multidimensional knowledge of literature he underscores the vital role it plays in forming a child s imagination We are made he suggests by the books we read San Francisco Chronicle There are dazzling chapters on John Locke and Empire and nonsense and Darwin but Lerer s most interesting chapter focuses on girls fiction A brilliant series of readings Diane Purkiss Times Literary Supplement **Outlook and Independent** ,1902
