Saint Nicholas Martin Ebon, 1975 It is a long long journey from the pious thin Bishop Nicholas of Myra to the roly poly dispenser of gifts on Christmas Eve Why the tremendous appeal of a bishop in one of the remote corners of the Roman Empire How did he become the jolly denizen of the North Pole Here lavishly illustrated with pictures that allow us to see as well as to read about Nicholas s transformation is the story of an enigmatic figure As the years flow by the author points out we come to know both less and more of this most popular saint We lose and forget the details of his life what he did and did not do what he looked like when he walked through the streets of Myra But paradoxically with the accumulation of time it seems the spirit of the man drops its legendary miraculous trappings and shines forth the more beautifully We partake yearly of what must have been Nicholas s childlike joy generosity and concern for others the soul of the saint himself As Saint Nicholas persuasively argues we have won the better part From publisher s description *Santa Claus, Last of the Wild Men* Phyllis Siefker, 1997-01-01 Much of the modern day vision of Santa Claus is owed to the Clement Moore poem *The Night Before Christmas* His description of Saint Nicholas personified the jolly old elf known to millions of children throughout the world However far from being the offshoot of Saint Nicholas of Turkey Santa Claus is the last of a long line of what scholars call Wild Men who were worshipped in ancient European fertility rites and came to America through Pennsylvania s Germans This pagan creature is described from prehistoric times through his various forms Robin Hood The Fool Harlequin Satan and Robin Goodfellow into today s carnival and Christmas scenes In this thoroughly researched work the origins of Santa Claus

are found to stretch back over 50 000 years jolting the foundation of Christian myths about the jolly old elf *A Visit From Saint Nicholas* Clement Moore,F. O. C. Darley,2023-12-07 A Visit from St Nicholas more commonly known as The Night Before Christmas and Twas the Night Before Christmas from its first line is a poem first published anonymously in 1823 and later attributed to Clement Clarke Moore who claimed authorship in 1837 The poem has been called arguably the best known verses ever written by an American and is largely responsible for some of the conceptions of Santa Claus from the mid nineteenth century to today It has had a massive impact on the history of Christmas gift giving Before the poem gained wide popularity American ideas had varied considerably about Saint Nicholas and other Christmastide visitors A Visit from St Nicholas eventually was set to music and has been recorded by many artists On the night of Christmas Eve a family are settling down to sleep when the father is disturbed by noises on the lawn outside Looking out the window he sees Saint Nicholas in an air borne sleigh pulled by eight reindeer After landing his sleigh on the roof Saint Nicholas enters the house down the chimney carrying a sack of toys The father watches his visitor fill the stockings hanging by the fireplace and laughs to himself They share a conspiratorial moment before Saint Nicholas bounds up the chimney again As he flies away he wishes a Happy Christmas to all and to all a good night *Saint Nicholas Speaks* Stephen M. Crofts,1991-06 How recently have you shared with your congregation and its children the story of the Christian Saint Nicholas This book offers you the opportunity to tell the story in a visual way by dressing the part of the Bishop of Myra Turkey Saint Nicholas Speaks enables you to tell the story from your pulpit in an informal format with children or to groups outside the church The monologue is also appropriate for parents and grandparents to read to young children during Advent The book offers instructions on how to make Saint Nicholas costume and a brief description of Christmas traditions in eight countries around the world Stephen M Crofts is pastor of Christ Church Burlington North Carolina He was educated at Furman and Emory Universities the University of London and the L Abri Fellowship in Switzerland This is his third book published by CSS *Wonderworker* Vincent A. Yzermans,1969 *The Real Santa Claus* Marianna Mayer,2013-10-01 For most of us young and old Santa Claus is a jolly old man as described in the classic poem A Visit from St Nicholas In fact few people realize that there was a real St Nicholas He was the Bishop of Myra and lived during the fourth century In this beautifully illustrated and richly designed book Mayer creates an inviting portrait of the man who became legendary for his generosity and miraculous acts of kindness *The True Story of St. Nicholas* Foster Eich,2014-12-02 Did you know that St Nicholas was a real person a Christian leader in the fourth century You ll enjoy knowing about the person behind Santa Claus **A Visit from Saint Nicholas** Clement Moore,2018-07-03 The Night Before Christmas and Twas the Night Before Christmas redirect here For other uses see The Night Before Christmas disambiguation and Twas the Night Before Christmas disambiguation Twas the night before Christmas when all thro the house Not a creature was stirring not even a mouse The stockings were hung by the chimney with care In hopes that St Nicholas soon would be there The children were nestled all snug in their beds While visions of

sugar plums danced in their heads A Visit from St Nicholas more commonly known as The Night Before Christmas and Twas the Night Before Christmas from its first line is a poem first published anonymously in 1823 and later attributed to Clement Clarke Moore who claimed authorship in 1837 Some commentators now believe the poem was written by Henry Livingston Jr The poem has been called arguably the best known verses ever written by an American 2 and is largely responsible for some of the conceptions of Santa Claus from the mid nineteenth century to today It has had a massive impact on the history of Christmas gift giving Before the poem gained wide popularity American ideas had varied considerably about Saint Nicholas and other Christmastide visitors A Visit from St Nicholas eventually was set to music and has been recorded by many artists

Is Santa Real? Jackie Jamison, 2016-09-21 Are you ready to know the truth Santa Claus is real he is a man named St Nicholas who lived long ago who changed the world because of the secret presents he gave to the young at night which fell into their stockings hung by the fire A legend is a story told with love meant to teach something true While the legend of Santa Claus has some parts that are larger than life it reminds us that goodness and joy are real and that generosity and hope win in the end

Saint Nicholas Julie Stiegemeier, 2003 This picturebook rendition of the historical roots of Father Christmas recounts the life of Saint Nicholas a pastor in 4th century Lycia modern day Turkey whose generosity was so profound that he became known as Father Christmas

St. Nicholas: The Believer: A New Story for Christmas Based on the Old Story of St. Nicholas Eric Elder, Lana Elder, 2013-12 From the Introduction by Eric Elder There was a time when I almost gave up celebrating Christmas Our kids were still young and weren't yet hooked on the idea of Santa Claus and presents Christmas trees and decorations I had read that the Puritans who first came to America were so zealous in their faith that they didn't celebrate Christmas at all Instead they charged fines to businesses in their community who failed to keep their shops open on Christmas day They didn't want anything to do with a holiday that was they felt rooted in paganism As a new believer and a new father myself the idea of going against the flow of the excesses of Christmas had its appeal at least in some respects Then I read an article by a man who simply loved celebrating Christmas He could think of no greater way to celebrate the birth of the most important figure in human history than throwing the grandest of parties for Him gathering and feasting and sharing gifts with as many of his family and friends as possible This man was a pastor of deep faith and great joy For him the joy of Christ's birth was so wondrous that he reveled in every aspect of Christmas including all the planning decorating and activities that went along with it He even loved bringing Santa Claus into the festivities our modern day version of the very real and very ancient Saint Nicholas a man of deep faith and great joy as well who Himself worshipped and adored the Baby who was born in Bethlehem So why not celebrate the birth of Christ Why not make it the biggest party of the year Why not make it the Happiest season of all I was sold Christmas could stay and my kids would be much happier for it too I dove back into celebrating Christmas with full vigor and at the same time took a closer look into the life of the real Saint Nicholas a man who seemed almost irremovably intertwined with this Holy Day I discovered that

Saint Nicholas and Santa Claus were indeed one and the same and that the Saint Nicholas who lived in the 3rd and 4th centuries after the birth of Christ was truly a devout follower of Christ himself As my wife and I read more and more about Nicholas fascinating story we became enthralled with this believer who had already been capturing the hearts and imaginations of believers and nonbelievers alike throughout the centuries With so many books and movies that go to great lengths to tell you the true story of Santa Claus and how his reindeer are really powered by everything from egg nog to Coca Cola I ve found that there are very few stories that even come close to describing the actual person of who Saint Nicholas was and in particular what he thought about the Man for whom Christmas is named Jesus Christ I was surprised to learn that with all the historical documents that attest to Saint Nicholas faith in Christ compelling tellings of those stories seem to have fallen by the wayside over the ages So with the encouragement and help of my sweet wife Lana we decided to bring the story of Saint Nicholas back to life for you with a desire to help you recapture the essence of Christmas for yourself While some people with good reason may still go to great lengths to try to remove anything that might possibly hint of secularism from this holiest day of the year it seems to me equally fitting to go to great lengths to try to restore Santa to his rightful place not as the patron saint of shopping malls but as a beacon of light that shines brightly on the One for whom this Holy Day is named It is with deep faith and great joy that I offer you this Christmas novella a little story I ve enjoyed telling it and I hope you ll enjoy hearing it It just may be the most human telling of the story of Saint Nicholas you ve ever heard Above all I pray that God will use this story to rekindle your love not only for this season of the year but for the One who makes this season so bright Eric Elder

Who Is Santa Claus? William Shepard Walsh, 2013-09-19 Who Is Santa Klaus Just as the Christmas tree was brought over to this country by early German immigrants so Saint Nicholas or Santa Klaus came here in the train of the Dutch settlers of New York He established himself first in the little island of Manhattan and then gradually spread all over the country His Dutch origin is shown by the very name Santa Klaus which is common alike to Holland and America though it is elsewhere unknown At first he was honored on his own day with the same observances that marked the festival in the Fatherland Before the beginning of the nineteenth century St Nicholas s day had been all but forgotten in New Amsterdam and New Year s Eve was the occasion when he made his rounds as a gift bearer to the children Later he transferred his activities to Christmas To go further back we know that even in the eighteenth century when New York was still to a great extent Dutch in blood and in feeling the little children of the Knickerbockers would gather expectant around the great hearth in the parlor on the eve of New Year and not on the eve of Saint Nicholas s feast It was to Saint Nicholas they addressed the childish hymns and songs their forefathers had brought

from Holland It was about the middle of the nineteenth century that the funny men of America took the Saint under their special patronage In Holland he had been austere and dignified as became a bishop and a saint In America he developed into the fat jolly pot bellied old roisterer whom we all know and love and who reminds us at so many points of the fun loving Silenus of Pagan times Undoubtedly it was the American Clement C Moore who immortalized the figure and decided the model which all succeeding poets and artists have ever followed **St. Nicholas** Edward G. Clare,1985 A study of the origin of St Nicholas in Byzantium and the expansion of his cult to western Europe and North America It focuses on the saint s changing iconography in art and a better understanding of his historical position in our culture **Icon of Gentleness** J M Rosenthal,2017-11-27 The real Santa Claus and Father Christmas comes alive in this easy to read look at the life of this great man of generosity and faith This is a perfect introduction to the saint who if ignored is to our peril as lovers of Advent and Christmas
