The Of Telling Tracing The Secrets Of My Fathers Lives:

The Book of Telling Sharona Muir, 2005 After her father died Sharona Muir learned by chance that he had invented Israel's first rocket Muir's parents divorced when she was very young but she adored the father she saw on Saturday outings Itzhak Bentov occasionally told stories of his early days in Israel but it was only after he died that Muir accidentally learned he had been a member of a top secret group of scientists called Hemmed which made weapons for Israel's War of Independence Amazed by this discovery Muir traveled to Israel to meet her father's colleagues a group of idealists many of them refugees from Europe who had been summoned by David Ben Gurion to create weapons for a new nation Through the memories they share Muir comes to know the brilliant impassioned and creative young Bentov She weaves her own memories of him into their stories As the truths she seeks emerge Muir elegantly evokes the hubbub of Jerusalem streets the uncommon lives of her hosts and the land and skylines of the Negev

Notable American Women with Czechoslovak Roots Miloslav Rechcigl Jr., 2019-09-16 Even though there exist only a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role

Beyond the Sea of Beer Miloslav Rechcigl Jr., 2017-11-09 This is a comprehensive history of immigrants from the historic lands of the Bohemian Crown and its successor states including Czechoslovakia and the Czech Republic based on the painstaking lifetime research of the author The reader will find lots of new information in this book that is not available elsewhere The title of the book comes from a popular song of the famous Czech artistic duo Voskovec and Werich who described America in those words when they lived here reflecting on their love for this country It covers the period starting soon after the discovery of the New World to date The emphasis is on the US although Canada and Latin America are also covered It covers the arrival and the settlement of the immigrants in various states and regions of America their harsh beginnings the establishment of their communities and their organization A separate section is devoted to the contributions of notable individuals in different areas of human endeavor including Bohemians Moravians Bohemian Jews and the Slovaks These people excelled in just about every facet of human undertaking Even though a total number of these immigrants were fewer than other ethnic groups their accomplishments were phenomenal Nothing like this has ever been published since the time Thomas Capek wrote his classic *The Czechs Bohemians*

in America some one hundred years ago **Encyclopedia of Bohemian and Czech-American Biography** Miloslav Rechcigl Jr.,2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of Bohemian and Czech American Biography is a unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history

My Fathers' Daughter Hannah Pool,2009-01-06 What do you wear to meet your father for the first time In 2004 Hannah Pool knew more about next season s lipstick colors than she did about Africa a beauty editor for The Guardian newspaper she juggled lattes and cocktails handbags and hangouts through her twenties just like any other beautiful independent Londoner Her white English adoptive relatives were beloved to her and were all the family she needed Okay if I treat it as a first date then I m on home turf What image do I want to put across Classic rather than trendy and if my G string doesn t pop out I should be able to carry the whole thing off Contacted by relatives she didn t know she had she decided to visit Eritrea the war torn African country of her birth and answer for herself the daunting questions every adopted child asks Imagine what it s like to never have seen another woman or man from your own family To spend your life looking for clues in the faces of strangers We all need to know why we were given up What Hannah Pool learned on her journey forms a narrative of insight wisdom wit and warmth beyond all expectations When I stepped off the plane in Asmara I had no idea what lay ahead or how those events would change me and if I d thought about it too hard I probably wouldn t have gotten farther than the baggage claim A story that will send shivers down your spine The Bookseller

My Fathers Daughter follows Hannah Pool s brave and heartbreaking return to Africa to meet the family she lost and the father she thought was dead
