**The Old Testament Without Illusions** John L. McKenzie, 2009-01-01 While for many the old and destructive controversy as to whether the Bible is to be taken literally has long since been resolved modern research and scholarship has progressed far beyond this debate The point of the research has not been to destroy the credibility of the Bible but rather to understand Scripture better In the process many popular and traditional certainties have fallen by the wayside Scholars doubt that Moses led the Israelites across the Red Sea or into the Sinai that David is the author of the Psalms or indeed that Solomon was even wise These and dozens of other illusions are being stripped away and more will surely follow Beyond this there are the larger contradictions which exist between the law and spirit of the Old and New Testaments The modern believer needs both to know of these findings and put them into a perspective which will enhance rather than diminish understanding of the Scriptures

**The Old Testament Without Illusion** John L. McKenzie, 1980 [The New Testament Without Illusion](#) John L. McKenzie, 2009-03-01 From the beginning of the New Testament era there have been disputes over what individual passages meant who wrote them when they were written and whether certain sayings could be directly attributed to Jesus McKenzie's aim is not to destroy the credibility of the New Testament but rather to enhance belief by allowing it to rest on a foundation freed from various manmade illusions and historically inaccurate assumptions that modern biblical research has discovered from both internal and external evidence about the writings Father McKenzie takes on a variety of topics the real Jesus and the Son of man gospels and gossip the roles of Peter and Paul divorce the resurrection the meaning of the Apocalypse to name but a few in this highly informative look at key themes and episodes of the New Testament

*Faith Without Illusions* Andrew Byers, 2011-02-28 Cynicism has become almost a cliché It pervades the culture and defines the age and threatens to derail faith Andrew Byers identifies the primary factors in the church that inspire disillusionment rather than faith but he goes beyond that to help struggling cynics channel their frustrations into the redemptive vocations found in the Bible the prophet the sage the tragic poet These all find their fulfillment in Jesus and he in turn inspires cynics from the apostle Paul to you and me to embrace our saintly calling hopeful realism

**A Theology of the Old Testament** John L. McKenzie, 2009-03-01 By thoroughly investigating every aspect of theology to be found in the Old Testament Father McKenzie offers a total theological statement of this timeless record The theology of the Old Testament he writes has to be the study of the reality of Yahweh The Old Testament is the sole literary witness to that reality as the record of the experience of Israel Seven categories outline the book cult revelation history nature wisdom political and social institutions and the future of Israel Together these categories provide a pathway to God that is far more complete than that which can be experienced by any individual For McKenzie the Hebrew scriptures are to be understood as the independent record of the early Israelite community's experience with God rather than as a prelude to or forecast of the New Testament

[The New Testament Without Illusion](#) John L. McKenzie, 1982 [Islam Without Illusions](#) Ed

Hotaling,2003-08-01 Hotaling describes how Muhammad created the first Islamic state He was an innovative general and diplomat who respected women s rights Hotaling draws the stunning conclusion that if the Prophet were alive today he would be an American Hotaling explains Just as he did in the heat of persecution embattled leadership and war he would have stood up today for his principles debated and negotiated with his rivals tolerated their ideas until he could win them over and fought in the open Here is the amazing story of how Muhammad s followers conquered half the world exceeded early Christian Europe in the arts sciences and government and won the bloody battles of the Crusades Hotaling traces the path of Islam to modern times and the spread of Islamic Revivalism spurred by the Iranian Revolution He reveals its connection to the attacks on the World Trade Center and the Pentagon With compelling precision he uncovers alternatives to an impending cataclysmic clash of civilizations

**The Evolution of Love** Sheldon W. Liebman,2021-04-06 This book an examination of Judaism as it evolved over a period of approximately 1 500 years is an analysis of the Hebrew Bible and other ancient Jewish writings with special emphasis on theology and morality By the middle of the first millennium with the writing of Deuteronomy the Psalms and the works of the prophets Judaism had embraced the idea that God is a compassionate father that His relationship with His people is based on love rather than fear and that His response to their commission of sins is based on the assumption that they are capable of repentance and worthy of forgiveness In the final stage of its development culminating in the first and second centuries AD Judaism was understood to require its adherents to enact the will of God specifically to establish a community based on political economic and social laws that enforce the principles of justice and mercy And that process came to be seen as inevitably dependent on human agency the need for human beings to fulfill God s commandments In Judaism loving neighbors and strangers came to be understood as the principal and for many Jews the only way of loving God

**The Atheist's Guide to Reality: Enjoying Life Without Illusions** Alex Rosenberg,2011-09-20 The Atheist s Guide to Reality is a book for nonbelievers who embrace the reality driven life

**The Great Betrayal** Sheldon W. Liebman,2018-11-27 In the view of many contemporary scholars both Jesus and Judaism have been misrepresented by the church for the past two thousand years Their main point is that Judaism was not a superficial rigid and outdated religion and Jesus did not reject it In fact along with his disciples he remained a Law abiding Jew his entire life However as Christianity developed from a Jewish sect in the first century AD to the official religion of the Roman Empire in the fourth century the church was transformed Jesus was redefined and both Jews and their religion were repudiated and marginalized In short both Christians and Jews were deeply affected by what many scholars now call the de Judaization of Jesus This book is an attempt to correct the traditional theological and scholarly misinterpretations of Jesus and Judaism that emerged over the first four centuries of the life of the church
