The One Minute Millionaire:

The One Minute Millionaire Mark Victor Hansen, Robert Allen, 2008-11-21 Bestselling Chicken Soup author Mark Victor Hansen and financial guru Robert Allen offer a practical inspiring lesson in creating true wealth whether you aspire to become a millionaire or simply beat credit card debt and have enough money to live on without worrying. Two books for the price of one. On the right side of the page is Hansen's fable of Michelle, a widowed mother whose life is on the brink of ruin unless she can raise a million dollars quickly; she will lose custody of her children. On the left hand side are Robert Allen's rules for achieving financial success. His advice parallels the action in Michelle's story as he urges readers to identify their fears and doubts and eliminate from their lives all the roadblocks that limit their potential. They'll learn how to transform Restraining Forces into Driving Forces whether their goal like Michelle's is to become a millionaire or just simply to save money for the future. Together these two halves of *The One Minute Millionaire* work as a powerful tool of self discovery, an inspirational lesson in unlocking the winner in everyone.

The One Minute Millionaire Mark Victor Hansen, Robert G. Allen, 2002 Brilliantly organised *The One Minute Millionaire* combines fiction and non fiction. On the right hand pages is the story of a woman who must raise 1 million in 90 days to keep her family together. On the left are the nuts and bolts of how she does it and you can too. By bringing the two sides together the authors show how everyone can overcome fears and doubts and leap over the hurdles that limit financial potential.

The One Minute Millionaire Mark Victor Hansen, Robert G. Allen, 2009-08-04 Two mega bestselling authors with decades of experience in teaching people how to achieve extraordinary wealth and success share their secrets. Allen, one of the world's foremost financial experts, have helped thousands of people become millionaires. Now it's your turn. Is it possible to make a million dollars in only one minute? The answer just might surprise you. *The One Minute Millionaire* is an entirely new approach, a life changing millionaire system that will teach you how to create wealth even when you have nothing to start with. Overcome fears so you can take reasonable risks. Use the power of leverage to build wealth rapidly. Use one minute habits to build wealth over the long term. *The One Minute Millionaire* is a revolutionary approach to building wealth and a powerful program for self discovery as well. Here are two books in one: fiction and nonfiction designed to address two kinds of learning so that you can fully integrate these life changing lessons. On the right hand pages you will find the fictional story of a woman who has to make a million dollars in ninety days or lose her two children forever. The left hand pages give the practical step by step nonfiction strategies and techniques that actually work in the real world. You'll find more than one hundred nuts and bolts. Millionaire Minutes, each one a concise and invaluable lesson with specific techniques for creating wealth. However, the lessons here are not just about becoming a millionaire; they are about becoming an enlightened millionaire and how to ethically make, keep and share your wealth.
