

The One Quest An Esalen

Alex Howard

The One Quest An Esalen:

Esalen's Resident Alien: Secular Sceptic in a Utopian Community The Gestalt Legacy Project, 2010-03-31 This is an interview of Seymour Carter by Ken Dychtwald at Esalen Institute

A More Perfect Union Linda Sargent Wood, 2012-10-18 This book uncovers a holistic sensibility in post World War II American culture that challenged Cold War logic and fed some of the century's most powerful social movements This impulse is illustrated by focusing on Rachel Carson Buckminster Fuller Martin Luther King Jr Abraham Maslow Pierre Teilhard de Chardin and the Esalen Institute

The Art of Living Foundation Stephen Jacobs, 2016-03-09 The Hindu derived meditation movement The Art of Living AOL founded in 1981 by Sri Sri Ravi Shankar in Bangalore has grown into a global organization which claims presence in more than 150 countries Stephen Jacobs presents the first comprehensive study of AOL as an important transnational movement and an alternative global spirituality Exploring the nature and characteristics of spirituality in the contemporary global context Jacobs considers whether alternative spiritualities are primarily concerned with individual wellbeing and can simply be regarded as another consumer product The book concludes that involvement in movements such as AOL is not necessarily narcissistic but can foster a sense of community and inspire altruistic activity

Walking on the Edge of the World George Leonard, 1988 George Leonard recounts his experiences as a reporter for Look magazine during the tumult idealism and passion of the 1960s His memoir tells of his fascinating journey of self discovery from a traditional Southern upbringing to his journalistic accomplishments Two 8 page photo inserts

A Really Good Day Ayelet Waldman, 2017-01-10 The true story of how a renowned writer's struggle with mood storms led her to try a remedy as drastic as it is forbidden microdoses of LSD Her revealing fascinating journey provides a window into one family and the complex world of a once infamous drug seen through new eyes When a small vial arrives in her mailbox from Lewis Carroll Ayelet Waldman is at a low point Her moods have become intolerably severe she has tried nearly every medication possible her husband and children are suffering with her So she opens the vial places two drops on her tongue and joins the ranks of an underground but increasingly vocal group of scientists and civilians successfully using therapeutic microdoses of LSD As Waldman charts her experience over the course of a month bursts of productivity sleepless nights a newfound sense of equanimity she also explores the history and mythology of LSD the cutting edge research into the drug and the byzantine policies that control it Drawing on her experience as a federal public defender and as the mother of teenagers and her research into the therapeutic value of psychedelics Waldman has produced a book that is eye opening often hilarious and utterly enthralling

Utopias and Utopians Richard C.S. Trahair, 2013-10-31 Utopian ventures are worth close attention to help us understand why some succeed and others fail for they offer hope for an improved life on earth Utopias and Utopians is a comprehensive guide to utopian communities and their founders Some works look at literary utopias or political utopias etc and others examine the utopias of only one country this work examines utopias from antiquity to the present and surveys utopian efforts around the

world Of more than 600 alphabetically arranged entries roughly half are descriptions of utopian ventures the other half are biographies of those who were involved Entries are followed by a list of sources and a general bibliography concludes the volume

The Life We Are Given George Leonard,2005-10-20 The author of *The Future of the Body* and the author of *Mastery* team up to present a proven method for reaching the next stage of human development Can people with the time and energy consuming concerns of job and family find a way to transform their lives through a regular long term program of body mind spirit development Is it possible through conscious choice to participate in the next step of human evolution Two of the most distinguished theorists and teachers of human transformation believe the answer to these questions is yes In this inspiring and practical book George Leonard and Michael Murphy offer a comprehensive program of Integral Transformative Practice ITP based on a two year experimental class that grew out of their lifework Drawing upon some seventy years of combined experience in the study of human potential along with the significant findings of their recent experiment they present step by step instructions for joining body mind heart and soul in an evolutionary adventure that has powerful personal and social implications Their message will be especially refreshing to those who have become disillusioned by promises of immediate gratification instant learning and effortless enlightenment This book shows the way to profound and lasting transformation through long term practice It celebrates the day by day joys of the path while opening fresh vistas to human futures

Therapeutic Revolutions Martin Halliwell,2013-04-19 *Therapeutic Revolutions* examines the evolving relationship between American medicine psychiatry and culture from World War II to the dawn of the 1970s In this richly layered intellectual history Martin Halliwell ranges from national politics public reports and healthcare debates to the ways in which film literature and the mass media provided cultural channels for shaping and challenging preconceptions about health and illness Beginning with a discussion of the profound impact of World War II and the Cold War on mental health Halliwell moves from the influence of work family and growing up in the Eisenhower years to the critique of institutional practice and the search for alternative therapeutic communities during the 1960s Blending a discussion of such influential postwar thinkers as Erich Fromm William Menninger Erving Goffman Erik Erikson and Herbert Marcuse with perceptive readings of a range of cultural text that illuminate mental health issues among them *Spellbound Shock Corridor*

Revolutionary Road and *I Never Promised You a Rose Garden* this compelling study argues that the postwar therapeutic revolutions closely interlink contrasting discourses of authority and liberation

The 99th Monkey Eliezer Sobel,2008-02-01 Suffused with a unique brand of irreverent humor this account recalls the autobiographical explorations of the most significant alternative communities ashrams gurus shamans and consciousness raising seminars of the past 40 years Serving as a human guinea pig for many of the most popular cutting edge New Age human potential and spiritual experiments Eliezer Sobel recounts intercontinental adventures in India Israel Brazil and Haiti From Primal Therapy to the Dalai Lama this perceptively witty analysis includes brushes with cults wild experiments with sex and psychedelics and

encounters with visionary gurus and contemporary madmen

The Quick Fix Jesse Singal, 2021-04-06 An investigative journalist exposes the many holes in today's bestselling behavioral science and argues that the trendy TED Talk friendly psychological interventions that are so in vogue at the moment will never be enough to truly address social injustice and inequality. With their viral TED talks, bestselling books, and counter-intuitive remedies for complicated problems, psychologists and other social scientists have become the reigning thinkers of our time. Grit and power posing promised to help overcome entrenched inequalities in schools and the workplace; the Army spent hundreds of millions of dollars on a positive psychology intervention geared at preventing PTSD in its combat soldiers; and the implicit association test swept the nation on the strength of the claim that it can reveal unconscious biases and reduce racism in police departments and human resources departments. But what if much of the science underlying these blockbuster ideas is dubious or fallacious? What if Americans' longstanding preference for simplistic self-help platitudes is exerting a pernicious influence on the way behavioral science is communicated and even funded, leading respected academics and the media astray? In *The Quick Fix*, Jesse Singal examines the most influential ideas of recent decades and the shaky science that supports them. He begins with the California legislator who introduced self-esteem into classrooms around the country in the 1980s and the Princeton political scientist who warned of an epidemic of youthful superpredators in the 1990s. In both cases, a much-touted idea had little basis in reality but had a massive impact. Turning toward the explosive popularity of 21st-century social psychology, Singal examines the misleading appeal of entertaining lab results and critiques the idea that subtle unconscious cues shape our behavior. As he shows, today's popular behavioral science emphasizes repairing, improving, and optimizing individuals rather than truly understanding and confronting the larger structural forces that drive social ills. Like Anand Giridharadas's *Winners Take All*, *The Quick Fix* is a fresh and powerful indictment of the thought leaders and influencers who cut corners as they sell the public half-baked solutions to problems that deserve more serious treatment.

Religious and Spiritual Groups in Modern America Robert Ellwood, Harry Partin, 2016-11-03 This text explores the major new or unconventional religions and spiritual movements in America that exist outside the Judeo-Christian tradition.

Acid Test Tom Shroder, 2014-09-09 A book that should start a long overdue national conversation. Dave Barry, with the FDA agreeing to new trials to test MDMA (better known as Ecstasy) as a treatment for PTSD, which if approved could be available as a drug by 2021. Acid Test is leading the charge in an evolving conversation about psychedelic drugs. Despite their current illegality, many Americans are already familiar with their effects. Yet while LSD and MDMA have proven extraordinarily effective in treating anxiety disorders such as PTSD, they still remain off-limits to the millions who might benefit from them. Through the stories of three very different men, award-winning journalist Tom Shroder covers the drugs' roller coaster history from their initial reception in the 1950s to the negative stereotypes that persist today. At a moment when popular opinion is rethinking the potential benefits of some illegal drugs and with new research coming out every day, *Acid Test* is a fascinating and informative must-read.

LIFE, 1968-07-12 **LIFE**

Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use

Ancient Wisdom and Modern Science Stanislav Grof, 1984-06-30 Recent advances in a variety of scientific disciplines have revealed the limitations of the Newtonian Cartesian model of the universe One of the interesting aspects of this development is the increasing convergence of science and the perennial philosophy The new research has led to a critical revaluation of ancient spiritual systems long ignored or rejected because of their assumed incompatibility with science Here are Swami Muktananda on the mind Swami Prajnananda on Karma Swami Kripananda on the Kundalini Ajit Mookerjee on the Kundalini Joseph Chilton Pearce on spiritual development Mother Teresa on love and service Jack Kornfield on Buddhism for Americans Fritjof Capra on the new paradigms Rupert Sheldrake on morphic resonance Karl Pribram on the holographic model Claudio Naranjo on meditation and more The papers in this book were presented at the seventh Conference of the International Transpersonal Association held in Bombay The ITA is a non profit organization that brings together individuals of different nationalities professions and philosophical or spiritual preferences who share in the view that there is a fundamental unity underlying all of humanity and the material world The cover photo is from the William Rockhill Nelson Gallery of Art in the Atkins Museum of Fine Arts Kansas City Missouri

[I Feel Earthquakes More Often Than They Happen](#) Amy Wilentz, 2006-08-22 From one of our most astute contemporary writers Amy Wilentz comes an irreverent inventive portrait of the state of California and its unlikely governor Arnold Schwarzenegger The prizewinning author a lifelong easterner and an outsider in the West takes the reader on a picaresque journey from exclusive Hollywood soirees to a fantasy city in the Mojave desert from the La Brea Tar Pits to celebrity besotted Sacramento from the tents of Skid Row to surf drunk Malibu from a snowbird retreat near Mexico to the hippie preserve of tide beaten Big Sur along the way offering up sharp observations on politics fund raising the water supply the Beach Boys earthquake preparedness home economics catastrophism movie star politicians political movie stars Charlie Manson and location scouts who want to rent your house in order to make television commercials for bathroom wall cleansers or Swedish banks Wilentz moved to Los Angeles from a Manhattan wounded by September 11 only to discover a paradise marred by fire flood and mudslides In what seemed like a joke to her a Democratic governor nicknamed Gummy was about to be ousted by an Austrian muscleman in a bizarre election promoted by a millionaire whose business was car alarms Intrigued she set out to find the essence of the quirky trailblazing state During her travels she spots celebrities but can t quite place them drops in on famous salons with habitu s like Warren Beatty and Arianna Huffington and visits the neglected office of one very special 9 000 year old woman Plunging into the traffic of California Wilentz noodles out meaning in some of the least likely of places she sees the political in the personal and the personal in the political By now an expert on tremors real and imagined she offers readers on both coasts insights into where California stands today and America as well

Challenges to Counselling and Psychotherapy Alex Howard, 1996-11-11 A clear readable radical challenge to the foundations of therapy The author's ultimate target is not counselling but the abuse of professionalisation and our current deity consumerism The range passion and depth of the discussion will attract the general reader and a wide diversity of carers and clients The questions raised should make it mandatory reading for practitioners and their supervisors Which schools of counselling will rise to the challenge Which will fail and fall

Surviving Madness Betty Berzon, 2002 Berzon a psychotherapist who specializes in treating gay and lesbian people presents the story of her journey from being a young girl confused about her sexuality and being treated in a mental hospital to her time as a professional psychotherapist Along the way she tells of her friendship with Anais Nin encounter with other famous people and her battles to come to terms with her sexuality Annotation copyrighted by Book News Inc Portland OR

A Portrait for Healing Richard J. Manley, 2002 How do you handle the crippling fear of losing your life after being diagnosed with cancer What choices do you have when the recommended surgery will disable you for life Where do you find natural healing remedies when medical authorities dismiss them as quackery Through the eyes of Richard J Manley cancer survivor counselor and teacher *A Portrait for Healing* answers these questions as Richard shares his experience using natural non invasive treatments to cure his cancer *A Portrait for Healing* is an emotional yet factual account of Richard's decision not to follow his surgeon's advice to have invasive surgery Join Richard on his healing journey and learn Holistic healing principles and practices How to understand and conquer your fears How to take control of your own healing The value of integrating spiritual mental emotional and physical healing *A Portrait for Healing* is a must read for all who are afraid of getting cancer who have cancer or who have had cancer It is the best resource guide for natural healing remedies I have seen Bob Spears Heartland Reviews

Consciousness is Story-Shaped Richard Rosenbaum, 2025-04-21 Why do we conceptualize our experience primarily in terms of stories This monograph is a groundbreaking exploration of how narrative structures mirror the architecture of human thought Drawing from disciplines as diverse as narratology philosophy psychology and cognitive science it meticulously examines Joseph Campbell's theory of the monomyth positing its isomorphism with the Categories of Judgment that Immanuel Kant considered innate to human cognition The book presents a compelling case that stories represent a reflection of cognitive processes arguing that humans inherently interpret the world and their experiences through a narrative schema deeply ingrained in our consciousness Rooted in cognitive semiotics it analyzes in detail the structural similarities between narrative and cognition Offering a novel understanding of the fundamental narrative nature of human thought and its implications for how we perceive and interact with the world this book is essential for scholars in narratology and semiotics writers and anyone fascinated by storytelling
