The Ong Hard Road Part Two To The Peak And Beyond:

Boston Marathon Tom Derderian, 2017-03-14 From running legend Tom Derderian comes a comprehensive look at one of the most storied and celebrated athletic events in the nation the Boston Marathon For more than 110 years the race has been regarded as one of the world's great racing traditions From the narrow starting line on Main Street through the Screams Tunnel past the coeds of Wellesley and up the infamous Heartbreak Hill Derderian chronicles the unforgettable passions triumphs and pitfalls of every race in the marathon's storied history The book also includes interviews and race recaps from marathoning greats such as Bill Rodgers Joan Benoit Samuelson Meb Keflezighi Uta Pippig Alberto Salazar Frank Shorter Kara Goucher Ryan Hall Desiree Davila Geoffrey Mutai Robert Kipkoech Cheruiyot and dozens more Complete with more than one hundred photographs and results from every year Boston Marathon belongs on the shelf of every runner Strides Benjamin Cheever, 2007-09-18 Acclaimed novelist Benjamin Cheever author of The Plagiarist Famous After Death and The Good Nanny brings his buoyant literary style to this impassioned memoir about the sport that changed his life From Pheidippides who ran the first marathon in 490 BC bringing news to Athens of the Greek victory on the plains of Marathon to our own soldiers in Iraq today running is an integral part of human culture and legend In Strides heralded author Benjamin Cheever explores the role of running in human history while interspersing this account with revelations of his own decades long devotion to the sport Cheever has traveled the world writing features for Runner's World magazine and he draws from this rich experience on every page His adventures have taken him to Kenya in search of the secrets of the world's fastest long distance runners and to a 10 K race with American soldiers in Baghdad Cheever celebrates the quotidian personal satisfaction of a morning run and the more exotic pleasures of the Medoc Marathon in Bordeaux where fine wines are served at water stations and the first prize is the winner's weight in grand crus He shares vivid moments from the New York Marathon and waxes rhapsodic about the granddaddy of American distance events the Boston Marathon But what truly distinguishes Strides as a memorable read is the unique lens through which this sparkling writer explores our deep bond to running an experience he likens to that of being able to fly **Running Crazy - Imagine Running a Marathon. Now Imagine Running Over 100 of Them. Incredible True Stories from the World's Most Fanatical Runners** Helen Summer, 2012-03-05 Pheidippides did it once and became a legend Brian Mills did it over 800 times but you might be forgiven for not knowing who he is He is a runner and it is the marathon all 26 miles and 385 yards of it and for some people once is not enough Brian Mills is rumoured to have a butterfly tattoo for each of his 800 plus efforts And Brian is not the only one who has notched up three digits of gruelling athletic endeavour The 100 Marathon Club also known as the Hell's Angels of Running and Running Sluts running one race whilst thinking of another is growing in number every year This is a club with no prejudices and only one prerequisite for membership the completion of 100 marathons It is full of colourful contrasting characters with idiosyncratic personalities and diverse lifestyles They make up a gargantuan melting pot of

humanity linked by one common desire to run and run and run But who would want to run 100 marathons or more And why How do they find the time the money the energy Are they crazy Find out by reading their stories Some will make you laugh others will make you cry some may even inspire you to run a marathon Believe it or not these are ordinary everyday people like you Although when you have finished laughing and crying you may still not be sure whether they are crazy or passionate But you as they do when they run will have a lot of fun along the way
