a MASH surgeon was what I'd learned from Hawkeye Pierce and Hot Lips Houlihan Now here I am Dr Petra Robichaud in the middle of an immortal war assigned to a MASH camp with a nosy sphinx a vegetarian werewolf and an uptight vampire who really needs to get a life At least they're all too busy with their own dramas to discover my secret I can see the dead It's a forbidden gift one that can get me killed so I haven't told a soul Until the arrestingly intense Galen arrives on my operating table half dead and totally to die for When his spirit tries to slip out of his fatally wounded body I impulsively slip it back in Call it a rash resurrection One I'll live to regret Now Commander Galen of Delphi knows my secret and he's convinced I'm part of an ancient prophecy one that can end the war for good But taking a chance could cost me everything And it would be easier to convince him to leave me alone except now the prophecies are starting to come true Warning This novel contains a hefty dose of danger drama practical jokes pet swamp lizards brooding demigods adventure romance and heart in a MASH camp where everybody knows your business The core of this book was originally called Immortally Yours published by St Martin's Press in 2012 The author has rewritten it into the way she always envisioned the story to be which means it is now a romantic comedy instead of an angsty book Oh and there are a lot more pet swamp lizards too **Siren's Call: Cursed Seas** Amy McKinley, 2019-07-15 Fate will not be denied Nerissa thinks she's safe from the gods and elders who rule her village She's wrong It's only a matter of time before she is chosen to pay the ultimate price her life For decades the gods have protected the small seaside village where she lives That's about to end Fishermen return with empty nets trees cease to bear fruit and the winds whisper of an ancient curse There's still hope that the offering of an unmarried woman will return the gods' favor As the maiden sacrifice nears Nerissa takes matters into her hands All she needs is a husband to escape the terms of the offering When she meets Zeer a visiting fisherman he sweeps her off her feet Are her prayers truly answered Everyone around her is keeping their own secrets their own agendas and there is no one left to rely on but herself As the night ushers in a violent storm that echoes the gods' anger she realizes the worst is yet to come When the first rays of dawn arrive a knock sounds at her door and she knows her entire world is about to turn upside down But she won't be the only one affected **Red Demon** Deidre Knight, 2010-06-01 In which immortal Spartans fight for humankind while battling their own desires After assuming the power of life and death for the immortal Spartan brotherhood Aristos Petrakos is brought a message from the other side a romantic message he doesn't want to hear Juliana Tiades the long dead love of Ari's immortal life is desperate to reveal the truth about her death She makes a bargain with a djinn demon who offers to give her physical form But as Julianna and Ari are reunited in passion the debt must be paid in souls and spirits Eternity Should Not Be Lost to Us Darren Hopkins, 2023-08-18 The immortals are real having existed in time for some 200 000 years or more some of them deified as gods and goddesses in their long lives and their existence had been kept secret and chronicled by the skolaks the keepers of their history One of the more notorious and most powerful of these immortals Edelon self entombed for the last 500 years is about to be resurrected by her lover Rutheven finally reunited after all this time although for Edelon their

time apart was but months for Rutheven his time without her was measured in centuries Her return to this world also signalled the return of her enemy the assassin Tervagant *The Forsaken Sons: Eclipse of the Primordials (Book 9 of 13)* Anis Meah,2025-05-25 Memory is the first casualty of war Identity is the second But brotherhood That may be eternal Kiran awakens in a crystalline prison with no memory of his name his past or the brother he once searched for across war torn lands His captors have systematically stripped away everything that made him human leaving only a perfect vessel for their dark purpose eliminate the cosmic guardians who keep an ancient evil imprisoned Armed with weapons forged from nightmare and flesh Kiran becomes the ultimate assassin moving through realms where reality bends hunting beings of unimaginable power Each kill weakens the barriers between worlds Each death brings something ancient and hungry closer to freedom But memories are stubborn things As fragments of his true self surface during his deadly missions Kiran begins to question the masters who remade him Hidden within the darkness they've forced into his soul traces of who he was and who he's searching for refuse to die Now he must walk the razor's edge between playing the perfect weapon and secretly working against forces that could unmake existence itself Because somewhere in the growing chaos his brother still lives And their reunion may be the key to either salvation or the end of everything *The Forsaken Sons Eclipse of the Primordials* Where brotherhood transcends memory love survives corruption and the greatest rebellion is remembering who you used to be
