The Priesthood of the Plebs Peter J. Leithart,2003-10-16 In this seminal treatise Peter J Leithart argues that the coming of the New Creation in Jesus Christ has profound and revolutionary implications for social order

implications symbolized and effected in the ritual of baptism In Christ and Christian baptism the ancient distinctions between priest and non priest between patrician and plebian are dissolved giving rise to a new humanity in which there is no Jew nor Greek slave nor free male nor female Yet beginning in the medieval period the church has blunted the revolutionary force of baptism and reintroduced antique distinctions whose destruction was announced by the gospel Leithart calls the church to renew her commitment to the gospel that offers priesthood to the plebs **Understanding the Diaconate** W. Shawn McKnight, 2018-07-13 What is a deacon More than fifty years since the restoration of the permanent diaconate by the Second Vatican Council the office of deacon is still in need of greater specificity about its purpose and place within the mission and organizational structure of the Church While the Church is more than a social reality the Church nonetheless has a social reality Our understanding of the diaconate therefore benefits from a theological discussion of the divine element of the Church and a sociological examination of the human element Understanding the Diaconate adds the resources of sociology and anthropology to the theological sources of scripture liturgy patristic era texts theologians and magisterial teachings to conclude that the deacon can be understood as social intermediary and symbol of *communitas* who serves the participation of the laity in the life and mission of the Church This research proposes the deacon as a servant of the bond of communion within the Church facilitating the relationship between the bishop priest and his people and between the People of God and the individual in need Thus authentic diaconal ministry includes a vast array of many concrete contexts of pastoral importance where one does more than simply serve at Mass **The Living Church** ,1967
