Mount McKinley Fred Beckey, 1998-12-31 A classic of mountaineering literature Beckey s name is synonymous with mountaineering in Alaska Canada and the western US Peppered with personal anecdotes and unique photographs This biography of Alaska s Mount McKinley presents a complete history of one of the world s great mountains Author and famed mountaineer Fred Beckey starts with McKinley s geology and covers early human history from native associations with Denali to the influx of Russian fur traders and American prospectors The mountaineering history of McKinley follows with a look at the gold seekers and surveyors who were among the first to map the region Beckey examines the efforts of those who raced to be first on McKinley s summit and details the first complete ascent by Hudson Stuck in 1913 The chronology continues with profiles of notable summit attempts including those of the author himself Also included is information about the challenges and logistics of climbing Mount McKinley with information on planning permits suggested routes and what to expect Personal anecdotes and previously unpublished photographs make this volume a must have for historians and climbers everywhere [Exploring and Mapping Alaska](#)

Aleksei Vladimirovich Postnikov, 2015-06-15 Russia first encountered Alaska in 1741 as part of the most ambitious and expensive expedition of the entire 18th century During the next 126 years the struggle to develop and refine geographic knowledge of the vast region comprising northeastern Asia the North Pacific and Alaska met with many obstacles including

inclement weather the chain of supply over great distances the need to train expert navigators and cartographers and false leads due to spurious voyage accounts For much of this era critical geographic knowledge was kept as a state secret in Russia and not shared even with the very navigators and cartographers who were developing much needed maps and navigational aids Despite this a rich cartographic heritage developed to be carried forward into the American era The traditional Russian cartographic methods were applied to new discoveries in Siberia and beyond Early fur traders and explorers utilized this system which for a time co existed with the new cartographic methodology utilized in Europe and adopted for use by the Russia of Peter the Great It became an age of scientific exploration Great Britain France Spain but especially Russia sent expeditions An increasingly complete knowledge of the coasts of North America with forays into the interior emerged Postnikov describes the explorations and richly illustrates how the resulting maps evolved and contributed to the world s knowledge of one of the last great regions of the world to be explored [Mineral Resources of Alaska](#) ,1929
