The Other Side Growing Up Italian In America:

The Other Side: Growing up Italian in America Vincent Panella, 2012-05-02 The Other Side is a sensitive candid portrait of an immigrant culture from a third generation perspective Vincent Panella portrays his family in Italian villages and American neighborhoods and what emerges is a critical but loving view of the Italian American experience its cloying love intense frugality obsession with security and its strong sense of family cohesion He writes of his boyhood in Queens New York his father's efforts to shape his life and of the fact that to be a member of an Italian family is never to be simply yourself The Other Side is also Vincent Panella's personal journey from rejection of his family to a realization that he cannot escape or deny his origins This final recognition emerges after an extended visit to Italy where he comes to know those in his family who remained behind Thus Vincent Panella has written a book of journeys a family's journey from southern Italy to Hell's Kitchen and the New York suburbs a young man's journey to a sense of identity The story is given an added dimension by the author's wife Susan Sichel Through her own photographs and through her selection of photographs from family albums Ms Sichel further evokes the life and times of three generations of an immigrant family

The Things They Say behind Your Back William Helmreich, 2017-09-29 In this groundbreaking book in the dim world of opinion formation Helmreich opens a closet bursting with skeletons and explores the myths and his torical roots of stereotypes pertaining to several ethnic groups Are Jews really smarter What about rhythmical Blacks hard drinking Irishmen dumb Poles emotional Hispanics and all those cold artificial WASPs sipping in evitable dry martinis He discusses which stereotypes are false which are true how they originated and why some of the most libeled groups promote warped perceptions about themselves Helmreich has examined over four hundred scientific studies and combines hard facts with humor anecdotes and common sense in his courageous attempt to understand and explain stereotypes He contends that we should discuss this topic openly and recognize the tendencies and traits negative and positive that are rooted in a group's history and culture rather than pretend that there are no differences among the members of multiracial America

The Things They Say Behind Your Back William B. Helmreich, Helmreich explores the myths and historical roots of stereotypes pertaining to several ethnic groups He discusses which stereotypes are false which are true how they originated and why some of the most libeled groups promote warped perceptions about themselves

Flashbacks: From the Other Side of the Tracks Gino Carlotti, 2017-08-17 This book is a collection of personal accounts of growing up in an Italian American home in an inter city neighborhood of the 1930s 40s and 50s Accompanying the text are 52 pictures of an historical era many Americans hold close to their hearts and consider the most precious of their lives The book fondly enlivens themes of America's melting pot The author a gifted storyteller writes about topics that range from his parents roots in Italy to life in Catholic schools from how teenagers dressed when he was a boy to how U S military personnel are honored in American cemeteries throughout the world The love of family regard for old friends and classmates and the importance of roots are threads that are woven throughout the book

Genealogies in the

Library of Congress Marion J. Kaminkow,2012-09 A complement to genealogies in the Library of Congress t p of fifth v

From Here to Fourteenth Street Diana Rubino,2015-12-09 It s 1894 on New York s Lower East Side Irish cop Tom McGlory and Italian immigrant Vita Caputo fall in love despite their different upbringings Vita goes from sweatshop laborer to respected bank clerk to reformer helping elect a mayor to beat the Tammany machine While Tom works undercover to help Ted Roosevelt purge police corruption Vita s father arranges a marriage between her and a man she despises When Tom s cousin is murdered Vita s father and brother languish in jail charged with the crime Can Vita and Tom s love survive poverty hatred and corruption

The Anarchist Bastard Joanna Clapps Herman,2011-03-01 Finalist for the 2011 ForeWord Book of the Year in the Autobiography Memoir Category I was born in 1944 but raised in the twelfth century With that Joanna Clapps Herman neatly describes the two worlds she inhabited while growing up as the child of Italian American immigrants in Waterbury Connecticut a place embedded with values closer to Homer s Greece than to Anglo American New England where the ethic of hospitality was and still is more Middle Eastern and North African than Anglo European and where the pageantry and ritual were more pagan Mediterranean than Western Christian It was also a place where a stuffed monkey wearing a fedora sat and continues to sit on her grandmother s piano and a place where when the donkey got stubborn and wouldn t plow the field her grandfather bit the animal in a fury In essays filled with wry humor and affectionate yet probing insights Herman maps and makes palpable the very particular details of this culture its pride and its shame its profound loyalty and its Byzantine betrayals

The Italian American Heritage Pellegrino A D'Acerno,2021-12-12 First published in 1999 The many available scholarly works on Italian Americans are perhaps of little practical help to the undergraduate or high school student who needs background information when reading contemporary fiction with Italian characters watching films that require a familiarity with Italian Americans or looking at works of art that can be fully appreciated only if one understands Italian culture This basic reference work for non specialists and students offers quick insights and essential easy to grasp information on Italian American contributions to American art music literature motion pictures and cultural life This rich legacy is examined in a collection of original essays that include portrayals of Italian characters in the films of Francis Coppola Italian American poetry the art of Frank Stella the music of Frank Zappa a survey of Italian folk customs and an analysis of the evolution of Italian American biography Comprising 22 lengthy essays written specifically for this volume the book identifies what is uniquely Italian in American life and examines how Italian customs traditions social mores and cultural antecedents have wrought their influence on the American character Filled with insights observations and ethnic facts and fictions this volume should prove to be a valuable source of information for scholars researchers and students interested in pinpointing and examining the cultural intellectual and social influence of Italian immigrants and their successors

Unto the Sons Gay Talese,2014-11-12 An Italian ROOTS The Washington Post Book World At long last Gay Talese one of America s greatest living authors employs his prodigious storytelling gifts to tell the

saga of his own family's emigration to America from Italy in the years preceding World War II. Ultimately it is the story of all immigrant families and the hope and sacrifice that took them from the familiarity of the old world into the mysteries and challenges of the new.

Italian-American Folklore Frances M. Malpezzi, William M. Clements, 1992 Italian Americans compose one of the largest ethnic groups in the United States numbering more than 14 million in the 1990 census. Though they have often been portrayed in fiction and film, these images are often based on stereotypes not borne out among the immigrant and assimilated population.

The Italian American Experience Salvatore J. LaGumina, Frank J. Cavaoli, Salvatore Primeggia, Joseph A. Varacalli, 2003-09-02 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company.

An American Story Louise Napolitano, 1995 This text closely examines Pietro DiDonato's classic novel *Christ in Concrete* from an historical, sociological, and literary perspective. Louise Napolitano examines *Christ in Concrete* 1939 as a chronicle of the experience of Italian immigrants in the United States during the twenties and early thirties. The literary analysis involves a thematic and stylistic study focusing on the work's modern, realistic, naturalistic, romantic, and classic qualities. In addition, this study places *Christ in Concrete* in both the American as well as the Italian American literary tradition.

Critical White Studies Richard Delgado, Jean Stefancic, 1997 No longer content with accepting whiteness as the norm, critical scholars have turned their attention to whiteness itself. In *Critical White Studies: Looking Behind the Mirror*, numerous thinkers including Toni Morrison, Eric Foner, Peggy McIntosh, Andrew Hacker, Ruth Frankenberg, John Howard Griffin, David Roediger, Kathleen Heal Cleaver, Noel Ignatiev, Cherrie Moraga, and Reginald Horsman attack such questions as: How was whiteness invented and why? How has the category whiteness changed over time? Why did some immigrant groups such as the Irish and Jews start out as nonwhite and later become white? Can some individual people be both white and nonwhite at different times and what does it mean to pass for white? At what point does pride in being white cross the line into white power or white supremacy? What can whites concerned over racial inequity or white privilege do about it? Science and pseudoscience are presented side by side to demonstrate how our views on whiteness often reflect preconception, not fact. For example, most scientists hold that race is not a valid scientific category; genetic differences between races are insignificant compared to those within them. Yet the one drop rule whereby those with any nonwhite heritage are classified as nonwhite persists even today. As the bell curve controversy shows, race concepts die hard, especially when power and prestige lie behind them. A sweeping portrait of the emerging field of whiteness studies, *Critical White Studies* presents for the first time the best work from sociology, law, history, cultural studies, and literature. Delgado and Stefancic expressly offer critical white studies as the next step in critical race theory. In focusing on whiteness, not only do they ask nonwhites to investigate more closely for what it means for others to be white, but also they invite whites to examine themselves more searchingly and to look behind the mirror.

White Ethnic New York Joshua M. Zeitz, 2011-09-01 Historians of postwar American politics often identify race as a driving force in the dynamically shifting political culture.

Joshua Zeitz instead places religion and ethnicity at the fore arguing that ethnic conflict among Irish Catholics Italian Catholics and Jews in New York City had a decisive impact on the shape of liberal politics long before black white racial identity politics entered the political lexicon Understanding ethnicity as an intersection of class national origins and religion Zeitz demonstrates that the white ethnic populations of New York had significantly diverging views on authority and dissent community and individuality secularism and spirituality and obligation and entitlement New York Jews came from Eastern European traditions that valued dissent and encouraged political agitation their Irish and Italian Catholic neighbors tended to value commitment to order deference to authority and allegiance to church and community Zeitz argues that these distinctions ultimately helped fracture the liberal coalition of the Roosevelt era as many Catholics bolted a Democratic Party increasingly focused on individual liberties and many dissent minded Jews moved on to the antiliberal New Left **The**

Sopranos Franco Ricci,2014-06-09 Often hailed as one of the greatest television series of all time The Sopranos is a product of its time firmly embedded in the problems of post industrial post ethnic America In The Sopranos Born under a Bad Sign Franco Ricci examines the groundbreaking HBO series and its impact as a cultural phenomenon Ricci demonstrates an encyclopedic knowledge of the series the genre and their social context in his analysis of the show s complex themes and characters He explores The Sopranos deep engagement with problems of race class gender and identity specifically in its portrayal of the Italian American experience consumer and media driven society and contemporary psychosocial issues The series protagonist Mafia boss and patriarch Tony Soprano in many ways embodies the anxieties of our age Focusing on Tony s internal struggles and interactions with his therapist family and associates Ricci traces this archetypal character s existential conflicts and sheds light on his search for self connection and meaning Comprehensive in scope and sophisticated in approach The Sopranos Born under a Bad Sign is richly rewarding reading for anyone with an interest in the popular television drama both as entertainment and social commentary **Sicilians Don't Cry II** Leonardo Guzzardo,2006-04 And

again I want to state that I have lived one of the most bizarre wildest dangerous and tragic life any human being could have ever lived I have been stabbed and shot before damn near beaten to death by people with baseball bats and being Catholic received my last rites two times In my life I made a lot of big money blew a lot of big money did a lot of gambling drank a lot of alcohol did a lot of drugs and from becoming a normal sex addict I became a hardcore sadist and masochist sex addict

Examination Questions in English, German, French, Italian, Spanish College Entrance Examination Board,1925 *Sport and the Shaping of Italian-American Identity* Gerald R. Gems,2013-12-16 Gems traces the experience of the Italian immigrant and illustrates the ways in which sports helped Italian Americans adapt to a new culture assert pride in an ethnic identity and even achieve social advancement Employing historical sociological and anthropological studies Gems explores how sports were instrumental in helping notions of identity evolve from the individual to the community from the racial to the ethnic In doing so Sport and the Shaping of Italian American Identity transcends the study of a particular ethnic group to speak to

foundational values and characteristics of the American ethos Polish American Studies Konstantin Symmons-Symonolewicz, 1988 The Other Side of Prospect Nicholas Dawidoff, 2022-10-18 A landmark work of intimate reporting on inequality race class and violence told through a murder and intersecting lives in an iconic American neighborhood One New Haven summer evening in 2006 a retired grandfather was shot point blank by a young stranger A hasty police investigation culminated in innocent sixteen year old Bobby being sentenced to prison for thirty eight years New Haven native and acclaimed author Nicholas Dawidoff returned home and spent eight years reporting the deeper story of this injustice and what it reveals about the enduring legacies of social and economic disparity In The Other Side of Prospect he has produced an immersive portrait of a seminal community in an old American city now beset by division and gun violence Tracing the histories of three people whose lives meet in tragedy victim Pete Fields likely murderer Major and Bobby Dawidoff indelibly describes optimistic families coming north from South Carolina as part of the Great Migration for the promise of opportunity and upward mobility and the harrowing costs of deindustrialization and neglect Foremost are the unique challenges confronted by children like Major and Bobby coming of age in their forgotten neighborhood steps from Yale University After years in prison with the help of a true believing lawyer Bobby is finally set free His subsequent struggles with the memories of prison and his heartbreaking efforts to reconnect with family and community exemplify the challenges the formerly incarcerated face upon reentry into society and writes Reginald Dwayne Betts make this the best book about the crisis of incarceration in America The Other Side of Prospect is a reportorial tour de force at once a sweeping account of how the injustices of racism and inequality reverberate through the generations and a beautifully written portrait of American city life told through a group of unforgettable people and their intertwined experiences
