The Book of Mormon Glenn Laurentz Pearson, 1967 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1965 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December **Another Jesus, a Different Spirit, a Different Gospel** Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book **Conversion in the Age of Pluralism** Giuseppe Giordan, 2009 The theme of conversion constitutes a privileged point to study the framework linking an individual to the sociocultural contexts in which he or she is included Changes in personal biographies and sociocultural change are interwoven when we speak of conversion values speech norms behaviors beliefs lifestyles interests everything is open to potential debate when an individual converts Conversion is especially developed here through a connection with the dynamics of pluralism which appears to be the most peculiar cultural characteristic of our era what does it mean to speak of conversion in a time in which it seems that the presumption of only one true truth no longer exists while instead many different truths live together each with its own judgment criteria

The Millenarian World of Early Mormonism Grant Underwood, 1999-01-15 Shows how early LDS interpretation of the Bible and the Book of Mormon affected and was affected by Mormon millennial doctrines Second-Class Saints Matthew L. Harris, 2024 On June 9 1978 Church of Jesus Christ of Latter day Saints LDS president Spencer W Kimball announced a revelation lifting the church s 126 year old ban barring Black people from the priesthood and Mormon temples It was the

most significant change in LDS doctrine since the end of polygamy almost 100 years earlier Drawing on never before seen private papers of LDS apostles and church presidents including Spencer W Kimball Matthew L Harris probes the plot twists and turns the near misses and paths not taken of this incredible story *New Perspectives in Mormon Studies* Eric F. Mason, Quincy D. Newell, 2013-03-18 Scholarship in Mormon studies has often focused on a few key events and individuals in Mormon history The essays collected by Quincy D Newell and Eric F Mason in this interdisciplinary volume expand the conversation One of the main purposes of this volume is to define and cross boundaries Part 1 addresses internal boundaries walls that divide some Mormons from others One chapter examines Joseph Smith s writings on economic matters and argues that he sought to make social distinctions irrelevant Another considers Jane James an African American Latter day Saint and her experiences at the intersection of religious and racial identity In part 2 contributors consider Mormonism s influence on Pentecostal leader John Alexander Dowie and relationships between Mormonism and other religious movements including Methodism and Presbyterianism Other chapters compare Mormonism and Islam and examine the group Ex Mormons for Jesus Saints Alive in Jesus Part 3 deals with Mormonism in the academy and the ongoing evolution of Mormon studies Written by contributors from a variety of backgrounds these essays will spark scholarly dialogue across the disciplines

productions within the American theatrical landscape and draws connections between the Latter day Saints theology of the redemption of the dead and Mormon pageantry in the three related sites of sacred space participation and spectatorship Using a combination of religious and performance theory Jones demonstrates that Mormon pageantry is a rich and complex site of engagement between theater theology and praxis that explores the saving power of performance *The Mormon Jesus* John G.
